If such notice is given, the Loan shall be converted, from and after the first day of the next succeeding Interest Period, to a LIBOR Rate Loan bearing interest based on the LIBOR Rate Index in effect on the related Determination Date. Notwithstanding any provision of this Agreement to the contrary, in no event shall Borrower have the right to elect to convert a LIBOR Rate Loan to a Prime Rate Loan.

(e) Intentionally Omitted.

(f) If any requirement of law or any change therein or in the interpretation or application thereof, shall hereafter make it unlawful for Lender to make or maintain a LIBOR Rate Loan as contemplated hereunder, (i) the obligation of Lender hereunder to make a LIBOR Rate Loan or to convert a Prime Rate Loan to a LIBOR Rate Loan shall be canceled forthwith and (ii) any outstanding LIBOR Rate Loan shall be converted automatically to a Prime Rate Loan on the first day of the next succeeding Interest Period or within such earlier period as required by law. Borrower hereby agrees promptly to pay Lender, within ten (10) days after receipt of written demand, any additional amounts necessary to compensate Lender for any costs actually incurred by Lender in making any conversion in accordance with this Agreement, including, without limitation, any interest or fees payable by Lender to lenders of funds obtained by it in order to make or maintain the LIBOR Rate Loan hereunder. Lender's notice of such costs, as certified to Borrower, shall be conclusive absent manifest error.

(g) In the event that any change in any requirement of law or in the interpretation or application thereof, or compliance by Lender with any request or directive (whether or not having the force of law) hereafter issued from any central bank or other Governmental Authority:

(i) shall hereafter impose, modify or hold applicable any reserve, special deposit, compulsory loan or similar requirement against assets held by, or deposits or other liabilities in or for the account of, advances or loans by, or other credit extended by, or any other acquisition of funds by, any office of Lender which is not otherwise included in the determination of the LIBOR Rate Index, the Prime Rate Index or the Alternate Rate Index hereunder;

(ii) shall hereafter have the effect of reducing the rate of return on Lender's capital as a consequence of its obligations hereunder to a level below that which Lender could have achieved but for such adoption, change or compliance (taking into consideration Lender's policies with respect to capital adequacy) by any amount deemed by Lender to be material;

(iii) shall hereafter subject Lender to any Section 2.7 Taxes (other than (A) Indemnified Taxes, (B) Section 2.7 Taxes described in clauses (b) through (d) of the definition of Excluded Taxes and (C) Connection Income Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto; or

(iv) shall hereafter impose on Lender any other condition (other than Section 2.7 Taxes);

and the result of any of the foregoing is to increase the cost to Lender of making, renewing or maintaining loans or extensions of credit or to reduce any amount receivable hereunder, then, in any such case, Lender shall immediately notify Borrower in writing of the occurrence of any additional costs and Borrower shall promptly pay Lender, upon demand, any additional amounts necessary to compensate Lender for such additional cost or reduced amount receivable which Lender deems to be material as determined by Lender in its reasonable discretion. If Lender becomes entitled to claim any additional amounts pursuant to this Section 2.2.3(g), Lender shall provide Borrower with not less than thirty (30) days written notice specifying in reasonable detail the event by reason of which it has become so entitled and the additional amount required to fully compensate Lender for such additional cost or reduced amount; provided, however, that Lender shall not be entitled to claim the portion of any additional amounts pursuant to this Section 2.2.3(g) accrued more than one hundred eighty (180) days prior to the date of the aforementioned 30-day notice. A certificate as to any additional costs or amounts payable pursuant to the foregoing sentence submitted by Lender to Borrower shall be conclusive in the absence of manifest error. Subject to Section 2.2.3(h) and Section 2.7 hereof, this provision shall survive payment of the Note and the satisfaction of all other obligations of Borrower under this Agreement and the Loan Documents.

(h) Borrower agrees to indemnify Lender and to hold Lender harmless from any loss or expense which Lender sustains or incurs as a consequence of (i) any default by Borrower in payment of the principal of or interest on a LIBOR Rate Loan, a Prime Rate Loan or an Alternate Rate Loan including, without limitation, any such loss or expense arising from interest or fees payable by Lender to lenders of funds obtained by it in order to maintain a LIBOR Rate Loan, a Prime Rate Loan or an Alternate Rate Loan hereunder, (ii) any prepayment (whether voluntary or mandatory) of the LIBOR Rate Loan, Prime Rate Loan or Alternate Rate Loan, as applicable, on a day that (A) is not a Payment Date or (B) is a Payment Date if Borrower did not give the prior written notice of such prepayment required pursuant to the terms of this Agreement, including, without limitation, such loss or expense arising from interest or fees payable by Lender to lenders of funds obtained by it in order to maintain the LIBOR Rate Loan, a Prime Rate Loan or an Alternate Rate Loan hereunder and (iii) the conversion pursuant to the terms hereof of the LIBOR Rate Loan to the Prime Rate Loan or an Alternate Rate Loan on a date other than the Payment Date, including, without limitation, such loss or expenses arising from interest or fees payable by Lender to lenders of funds obtained by it in order to maintain a LIBOR Rate Loan hereunder (the amounts referred to in clauses (i), (ii) and (iii) are herein referred to collectively as the “**Breakage Costs**”); provided, however, Borrower shall not indemnify Lender from any loss or expense arising from Lender’s willful misconduct or gross negligence. This provision shall survive payment of the Note in full and the satisfaction of all

other obligations (other than contingent obligations) of Borrower under this Agreement and the other Loan Documents.

2.2.4 **Additional Costs.** Lender will use reasonable efforts (consistent with legal and regulatory restrictions) to maintain the availability of the LIBOR Rate Loan and to avoid or reduce any increased or additional costs payable by Borrower under Section 2.2.3, including a transfer or assignment of the Loan to a branch, office or Affiliate of Lender in another jurisdiction, or a redesignation of its lending office with respect to the Loan, in order to maintain the availability of the LIBOR Rate Loan or to avoid or reduce such increased or additional costs, provided that the transfer or assignment or redesignation (a) would not result in any additional costs, expenses or risk to Lender that are not reimbursed by Borrower and (b) would not be disadvantageous in any other respect to Lender (including the effect on any Securitization) as determined by Lender in its reasonable discretion.

2.2.5 **Default Rate.** In the event that, and for so long as, any Event of Default shall have occurred and be continuing, the outstanding principal balance of the Loan and, to the extent permitted by law, all accrued and unpaid interest in respect of the Loan and any other amounts due pursuant to the Loan Documents, shall accrue interest at the Default Rate, calculated from the date such payment was due without regard to any grace or cure periods contained herein.

2.2.6 **Usury Savings.** This Agreement, the Note and the other Loan Documents are subject to the express condition that at no time shall Borrower be obligated or required to pay interest on the principal balance of the Loan at a rate which could subject Lender to either civil or criminal liability as a result of being in excess of the Maximum Legal Rate. If, by the terms of this Agreement or the other Loan Documents, Borrower is at any time required or obligated to pay interest on the principal balance due hereunder at a rate in excess of the Maximum Legal Rate, the Interest Rate or the Default Rate, as the case may be, shall be deemed to be immediately reduced to the Maximum Legal Rate and all previous payments in excess of the Maximum Legal Rate shall be deemed to have been payments in reduction of principal and not on account of the interest due hereunder. All sums paid or agreed to be paid to Lender for the use, forbearance, or detention of the sums due under the Loan, shall, to the extent permitted by applicable law, be amortized, prorated, allocated, and spread throughout the full stated term of the Loan until payment in full so that the rate or amount of interest on account of the Loan does not exceed the Maximum Legal Rate of interest from time to time in effect and applicable to the Loan for so long as the Loan is outstanding.

2.2.7 **Interest Rate Cap Agreement.** (a) Prior to or contemporaneously with the Closing Date, Borrower shall enter into an Interest Rate Cap Agreement with a LIBOR Rate Index strike price equal to the Strike Price. The Interest Rate Cap Agreement (i) shall at all times be in a form and substance reasonably acceptable to Lender, (ii) shall at all times be with an Acceptable Counterparty, (iii) shall direct such Acceptable Counterparty to deposit directly into the Lockbox Account any amounts due Borrower under such Interest Rate Cap Agreement so long as any portion of the Debt exists, provided that the Debt shall be deemed to exist if the Property transferred by judicial or non-judicial foreclosure or deed-in-lieu thereof, (iv) shall be for a period equal to the term of the Loan (through and including the Interest Period immediately following the applicable Maturity Date) and (v) shall at all times have a notional amount equal to

or greater than the principal balance of the Loan and shall at all times provide for the applicable Strike Price. Borrower shall collaterally assign to Lender, pursuant to the Collateral Assignment of Interest Rate Cap Agreement (the “**Assignment of Interest Rate Cap Agreement**”), all of its right, title and interest to receive any and all payments under the Interest Rate Cap Agreement, and shall deliver to Lender an executed counterpart of such Interest Rate Cap Agreement (which shall, by its terms, authorize the assignment to Lender and require that payments be deposited directly into the Cash Management Account) and shall notify the Acceptable Counterparty of such assignment.

(b) Borrower shall comply with all of its obligations under the terms and provisions of the Interest Rate Cap Agreement. All amounts paid by the Acceptable Counterparty under the Interest Rate Cap Agreement to Borrower or Lender shall be deposited immediately into the Cash Management Account or into such account as specified by Lender. Borrower shall take all actions reasonably requested by Lender to enforce Lender’s rights under the Interest Rate Cap Agreement in the event of a default by the Acceptable Counterparty and shall not waive, amend or otherwise modify any of its rights thereunder.

(c) In the event of any downgrade, withdrawal or qualification of the rating of the Acceptable Counterparty by any Approved Rating Agency, Borrower shall replace the Interest Rate Cap Agreement with a Replacement Interest Rate Cap Agreement not later than ten (10) Business Days following receipt of notice from Lender of such downgrade, withdrawal or qualification.

(d) In the event that Borrower fails to purchase and deliver to Lender the Interest Rate Cap Agreement or fails to maintain the Interest Rate Cap Agreement in accordance with the terms and provisions of this Agreement, Lender may purchase the Interest Rate Cap Agreement and the cost incurred by Lender in purchasing such Interest Rate Cap Agreement shall be paid by Borrower to Lender with interest thereon at the Default Rate from the date such cost was incurred by Lender until such cost is reimbursed by Borrower to Lender.

(e) In connection with the Interest Rate Cap Agreement, Borrower shall obtain and deliver to Lender (a) a resolution/consent, as applicable, of the Acceptable Counterparty authorizing the delivery of the Interest Rate Cap Agreement reasonably acceptable to Lender, and (b) an opinion from counsel (which counsel may be in-house counsel for the Acceptable Counterparty) for the Acceptable Counterparty (upon which Lender and its successors and assigns may rely) which shall provide, in relevant part, that:

(i) the Acceptable Counterparty is duly organized, validly existing, and in good standing under the laws of its jurisdiction of incorporation or formation and has the organizational power and authority to execute and deliver, and to perform its obligations under, the Interest Rate Cap Agreement;

(ii) the execution and delivery of the Interest Rate Cap Agreement by the Acceptable Counterparty, and any other agreement which the Acceptable Counterparty has executed and delivered pursuant thereto, and the performance of its obligations thereunder have been and remain duly authorized by all necessary action and do not contravene any provision of its certificate of incorporation or by-laws (or equivalent

organizational documents) or any law, regulation or contractual restriction binding on or affecting it or its property;

(iii) all consents, authorizations and approvals required for the execution and delivery by the Acceptable Counterparty of the Interest Rate Cap Agreement, and any other agreement which the Acceptable Counterparty has executed and delivered pursuant thereto, and the performance of its obligations thereunder have been obtained and remain in full force and effect, all conditions thereof have been duly complied with, and no other action by, and no notice to or filing with any governmental authority or regulatory body is required for such execution, delivery or performance; and

(iv) the Interest Rate Cap Agreement, and any other agreement which the Acceptable Counterparty has executed and delivered pursuant thereto, has been duly executed and delivered by the Acceptable Counterparty and constitutes the legal, valid and binding obligation of the Acceptable Counterparty, enforceable against the Acceptable Counterparty in accordance with its terms, subject to applicable bankruptcy, insolvency and similar laws affecting creditors' rights generally, and subject, as to enforceability, to general principles of equity (regardless of whether enforcement is sought in a proceeding in equity or at law).

(f) Notwithstanding anything to the contrary contained in this Section 2.2.7 or elsewhere in this Agreement, if, at any time, Lender converts the Loan to either a Prime Rate Loan or an Alternate Rate Loan in accordance with Section 2.2.3 above (each, a “**Rate Conversion**”), then:

(i) within thirty (30) days after such Rate Conversion, Borrower shall enter into, make all payments under, and satisfy all conditions precedent to the effectiveness of, a Substitute Interest Rate Cap Agreement (and in connection therewith, but not prior to Borrower taking all the actions described in this clause (i), Borrower shall have the right to terminate any then-existing Interest Rate Cap Agreement) and Lender shall take such steps as necessary to evidence its consent to the termination of the then-existing Interest Rate Cap Agreement); and

(ii) following any Rate Conversion, in lieu of satisfying the condition described in Section 2.3.3(b) with respect to the Interest Rate Cap Agreement relating to any outstanding Extension Term, Borrower shall instead enter into, make all payments under, and satisfy all conditions precedent to the effectiveness of a Substitute Interest Rate Cap Agreement on or prior to the first day of such Extension Term.

(g) As used herein, “**Substitute Interest Rate Cap Agreement**” shall mean an interest rate cap agreement between an Acceptable Counterparty and Borrower, obtained by Borrower and collaterally assigned to Lender pursuant to an Assignment of Interest Rate Cap Agreement (or substantially similar collateral assignment) and shall contain each of the following:

(i) a term expiring no earlier than, in the case of clause (f)(i) above, the end of the Interest Period in which the Maturity Date occurs and, in the case of clause (f)(ii)

above, the end of the Interest Period in which the last day of the requested Extension Term occurs;

(ii) the notional amount of the Substitute Interest Rate Cap Agreement shall be equal to or greater than the then outstanding principal balance of the Loan;

(iii) it provides that the only monetary and material obligation of Borrower thereunder is the making of a single payment to the Acceptable Counterparty thereunder upon the execution and delivery thereof and there are no other conditions to the effectiveness of such Substitute Interest Rate Cap Agreement;

(iv) it provides to Lender and Borrower (as determined by Lender in its sole but good faith discretion), for the term of the Substitute Interest Rate Cap Agreement, a protection against rising interest rates that is no less beneficial to Borrower and Lender than (A) in the case of clause (f)(i) above, that which was provided by the Interest Rate Cap Agreement being replaced by the Substitute Interest Rate Cap Agreement and (B) in the case of clause (f)(ii) above, that which was intended to be provided by the Interest Rate Cap Agreement that, but for the operation of this Section 2.2.7(g), would have been required to have been delivered by Borrower pursuant to Section 2.3.3(b) below as a condition to the requested Extension Term; and

(v) without limiting any of the provisions of the preceding clauses (i) through (iv) above, it satisfies all of the requirements set forth in clauses (i) through (iii) and clause (v) of Section 2.2.7(a) hereof.

From and after the date of any Rate Conversion, all references to “Interest Rate Cap Agreement” and “Replacement Interest Rate Cap Agreement” herein (other than in the definition of “Interest Rate Cap Agreement”, the definition of “Replacement Interest Rate Cap Agreement” and as referenced in the first sentence of Section 2.2.7(a) hereof) shall be deemed to refer or relate, as applicable, to a Substitute Interest Rate Cap Agreement. Notwithstanding the foregoing, Lender acknowledges and agrees that Borrower shall have the right, in lieu of delivering a new Substitute Interest Rate Cap Agreement to satisfy the foregoing, to modify the then existing Interest Rate Cap Agreement so that it satisfies the conditions set forth in clauses (i) – (v) of the definition of “Substitute Interest Rate Cap Agreement” herein.

Section 2.3 Loan Payment.

2.3.1 Monthly Debt Service Payments; Amortization Payment.

(a) Borrower shall pay to Lender (a) on the Closing Date, an amount equal to interest only on the outstanding principal balance of the Loan from the Closing Date up to and including June 14, 2018, which interest shall be calculated in accordance with the provisions of Section 2.2 hereof and (b) on each Payment Date commencing on the Payment Date occurring in July, 2018 and on each Payment Date thereafter up to and including the Maturity Date, an amount equal to the Monthly Debt Service Payment Amount, which payments shall be applied first to interest due for the related Interest Period at the LIBOR Rate or, if unavailable, at the Prime Rate or the Alternate Rate, as applicable, for such related Interest Period and then to any other amounts due

and unpaid pursuant to the Loan Documents hereto. The Monthly Debt Service Payment Amount paid pursuant to this Section 2.3.1(a) shall be applied (i) first, to the payment of interest due and payable on Component A; (ii) second, to the payment of interest due and payable on Component B; (iii) third, to the payment of interest due and payable on Component C; (iv) fourth, to the payment of interest due and payable on Component D; (v) fifth, to the payment of interest due and payable on Component E; (vi) sixth, to the payment of interest due and payable on Component F and (vii) seventh, to the payment of interest due and payable on Component HRR.

(b) On July 9, 2019 and on each Payment Date occurring in July during the term of the Loan (each such date, an “**Amortization Payment Date**”), Borrower shall pay to Lender an amount equal to twenty-five percent (25%) of annual Excess Cash Flow for the twelve (12) month period immediately preceding such Amortization Payment Date (each such annual payment, an “**Amortization Payment**”). Each Amortization Payment paid pursuant to this Section 2.3.1(b) shall be applied (i) first, to the reduction of the outstanding principal balance of Component A, until reduced to zero; (ii) second, to the reduction of the outstanding principal balance of Component B, until reduced to zero; (iii) third, to the reduction of the outstanding principal balance of Component C, until reduced to zero; (iv) fourth, to the reduction of the outstanding principal balance of Component D, until reduced to zero; (v) fifth, to the reduction of the outstanding principal balance of Component E, until reduced to zero; (vi) sixth, to the reduction of the outstanding principal balance of Component F, until reduced to zero and (vii) seventh, to the reduction of the outstanding principal balance of Component HRR, until reduced to zero. Following the occurrence and continuance of any Event of Default, any payment of principal from whatever source may be applied by Lender among the Components in Lender’s sole discretion.

2.3.2 Payments Generally. The first Interest Period hereunder shall commence on and include the Closing Date and shall end on and include June 14, 2018. Thereafter during the term of the Loan, each Interest Period shall commence on the fifteenth (15th) day of the calendar month preceding the calendar month in which the related Payment Date occurs and shall end on and include the fourteenth (14th) day of the calendar month in which the related Payment Date occurs. For purposes of making payments hereunder, but not for purposes of calculating Interest Periods, if the day on which such payment is due is not a Business Day, then amounts due on such date shall be due on the immediately preceding Business Day and with respect to payments of principal due on the Maturity Date, interest shall be payable at the Interest Rate or the Default Rate, as the case may be, through and including the last day of the related Interest Period. All amounts due under this Agreement and the other Loan Documents shall be payable without setoff, counterclaim, defense or any other deduction whatsoever.

2.3.3 Payment on Maturity Date. (a) Borrower shall pay to Lender on the Maturity Date the outstanding principal balance of the Loan, all accrued and unpaid interest and all other amounts due hereunder and under the Note, the Mortgage and the other Loan Documents.

(b) Borrower will have three (3) options to extend the Maturity Date of the Loan for consecutive one (1) year periods (each, an “**Extension Option**”). In order to exercise the first such extension right, Borrower shall deliver to Lender written notice of such extension on or

before the Payment Date occurring in May, 2020, and, upon giving of such notice of extension, and subject to the satisfaction of each of the conditions set forth below in Section 2.3.3(c) on or before the applicable date specified below, the Initial Maturity Date as theretofore in effect will be extended to the First Extended Maturity Date. In order to exercise the second such extension right, Borrower shall deliver to Lender written notice of such extension on or before the Payment Date occurring in May, 2021 and, upon the giving of such notice of extension, and subject to the satisfaction of each of the conditions set forth below in Section 2.3.3(c) on or before the applicable date specified below, the Maturity Date as theretofore in effect will be extended to the Second Extended Maturity Date. In order to exercise the third such extension right, Borrower shall deliver to Lender written notice of such extension on or before the Payment Date occurring in May, 2022 and, upon the giving of such notice of extension, and subject to the satisfaction of each of the conditions set forth below in Section 2.3.3(c) on or before the applicable date specified below, the Maturity Date as theretofore in effect will be extended to the Third Extended Maturity Date.

(c) The Maturity Date shall be extended pursuant to Borrower's notices as set forth in Section 2.3.3(b), provided that in each case the following conditions are satisfied: (A) no Event of Default shall be in existence and continuing either on the date of Borrower's notice or on the then current Maturity Date, (B) if the Interest Rate Cap Agreement is scheduled to mature prior to the applicable Extended Maturity Date, Borrower shall (i) obtain and deliver to Lender on or prior to the first day of each Extension Option, one or more Replacement Interest Rate Cap Agreements from an Acceptable Counterparty which Replacement Interest Rate Cap Agreement shall have a LIBOR Rate Index (or a Prime Rate Index or Alternate Rate Index, as applicable) strike price equal to the Strike Price, be effective commencing on the first date of such Extension Option and shall have a maturity date not earlier than the applicable Extended Maturity Date after giving effect to the option then being exercised and (ii) deliver an assignment of interest rate cap agreement with respect to any Replacement Interest Rate Cap Agreement in form and substance substantially similar to the Assignment of Interest Rate Cap Agreement delivered on the Closing Date, together with legal opinions of counsel to the counterparty and Borrower as reasonably required by Lender; (C) with respect to the third Extension Option, the Debt Yield as determined by Lender based upon the period ending on the last day of the second (2nd) calendar month immediately preceding the calendar month in which the then current Maturity Date occurs (as calculated after taking into account any Extension Prepayment made by Borrower pursuant to Section 2.4.4 hereof) shall equal or exceed the applicable Required Extension Debt Yield, (D) in the event that any portion of the Mezzanine Loan Debt (other than contingent obligations) is then outstanding, Mezzanine Borrower shall have exercised and complied with all conditions to the applicable Extension Option (as defined in the Mezzanine Loan Agreement) in the Mezzanine Loan Agreement as of the date Borrower exercises such Extension Option (or the Mezzanine Lender has waived such conditions), (E) in connection with the commencement of the second and third Extension Option, the then applicable Spread for each Component shall be increased by fifteen (15) basis points which increase shall be effective as of (1) with respect to the second Extension Option, the Interest Period applicable to the Payment Date in July, 2021 and each Payment Date thereafter and (2) with respect to the third Extension Option, the Interest Period applicable to the Payment Date in July, 2022 and each Payment Date thereafter.

2.3.4 Late Payment Charge. If any principal, interest or any other sums due under the Loan Documents (excluding the amounts due on the Maturity Date) are not paid by

Borrower on or prior to the date on which it is due, Borrower shall pay to Lender upon demand an amount equal to the lesser of five percent (5%) of such unpaid sum or the Maximum Legal Rate in order to defray the expense incurred by Lender in handling and processing such delinquent payment and to compensate Lender for the loss of the use of such delinquent payment. Any such amount shall be secured by the Mortgage and the other Loan Documents to the extent permitted by applicable law.

2.3.5 Method and Place of Payment. Except as otherwise specifically provided herein, all payments and prepayments under this Agreement and the Note shall be made to Lender not later than 11:00 a.m., New York City time, on the date when due and shall be made in lawful money of the United States of America in immediately available funds at Lender's office or as otherwise directed by Lender, and any funds received by Lender after such time shall, for all purposes hereof, be deemed to have been paid on the next succeeding Business Day.

Section 2.4 Prepayments.

2.4.1 Voluntary Prepayments. (a) Except as otherwise provided in this Section 2.4.1 or Section 2.4.2, Borrower shall not have the right to prepay the Loan in whole or in part.

(b) Borrower may prepay the Loan in whole but, not in part (except that partial prepayments shall be permitted in connection with an Extension Prepayment or in connection with a Transfer Prepayment), provided that (i) no Event of Default exists; (ii) Borrower gives Lender not more than thirty (30) days' prior written notice (or such shorter period of time permitted by Lender in its reasonable discretion) of the amount of the Loan that Borrower intends to prepay; (iii) no prepayment shall be permitted on any date during the period commencing on the first calendar day immediately following a Payment Date to, but not including, the Determination Date in such calendar month; and (iv) Borrower pays Lender, in addition to the outstanding principal amount of the Loan to be prepaid, (A) all interest which would have accrued on the amount of the Loan to be paid through and including the last day of the Interest Period related to the Payment Date next occurring following the date of such prepayment, or, if such prepayment occurs on a Payment Date, through and including the last day of the Interest Period related to such Payment Date; (B) all other sums due and payable under this Agreement, the Note, and the other Loan Documents, including, but not limited to the Breakage Costs and all of Lender's costs and expenses (including reasonable attorney's fees and disbursements) actually incurred by Lender in connection with such prepayment; and (C) if such prepayment is made prior to the Spread Maintenance End Date, the Spread Maintenance Payment. If a notice of prepayment is given by Borrower to Lender pursuant to this Section 2.4.1(b), the amount designated for prepayment and all other sums required under this Section 2.4 shall be due and payable on the proposed prepayment date unless such prepayment notice is revoked or modified by Borrower upon two (2) Business Days' prior written notice to Lender, provided that Borrower shall pay all of Lender's reasonable out-of-pocket expenses incurred in connection with such revocation or modification. If for any reason Borrower prepays the Loan on a date other than a Payment Date, Borrower shall pay Lender, in addition to the Debt, all interest which would have accrued on the amount of the Loan through and including the last day of the Interest Period related to the Payment Date next occurring following the date of such prepayment.

(c) Provided no Event of Default is continuing, Mezzanine Borrower shall be permitted to make voluntary prepayments of any Mezzanine Loan in accordance with the terms of Section 2.4.1 of the Mezzanine Loan Agreement without making a corresponding voluntary prepayment of the Loan.

2.4.2 Mandatory Prepayments. On the next occurring Payment Date following the date on which Lender actually receives any Net Proceeds, if Lender is not obligated to make such Net Proceeds available to Borrower for the Restoration of the Property or otherwise remit such Net Proceeds to Borrower pursuant to Section 6.4 hereof, Borrower authorizes Lender, at Lender's option, to apply Net Proceeds as a prepayment of all or a portion of the outstanding principal balance of the Loan together with accrued interest and any other sums due hereunder in an amount equal to one hundred percent (100%) of such Net Proceeds; provided, however, if an Event of Default has occurred and is continuing, Lender may apply such Net Proceeds to the Debt (until paid in full) in any order or priority in its sole discretion. Other than following an Event of Default, no Spread Maintenance Payment or other premium or fee shall be due in connection with any prepayment made pursuant to this Section 2.4.2. Any amount of such proceeds in excess of the amount required to pay the Debt in full shall be distributed to Borrower.

2.4.3 Prepayments After Default. If, following an Event of Default, payment of all or any part of the Debt is tendered by Borrower or otherwise recovered by Lender (including, without limitation, through application of any Reserve Funds), such tender or recovery shall include (a) interest at the Default Rate on the outstanding principal amount of the Loan from the date such Event of Default occurred through the end of the Interest Period related to the Payment Date next occurring following the date of such tender or recovery, or if such tender or recovery occurs on a Payment Date, through and including the Interest Period related to such Payment Date, and (b) if such tender or recovery occurs prior to the Spread Maintenance End Date, an amount equal to the Spread Maintenance Default Premium.

2.4.4 Extension Prepayment. In connection with the exercise of any Extension Option pursuant to Section 2.3.3(b), in the event that the Debt Yield is otherwise less than the Required Extension Debt Yield, Borrower shall make a prepayment of the Loan in an amount equal to the *pro rata* portion of the Extension Prepayment Amount based on the then outstanding principal amount of the Loan and the Mezzanine Loan shall be prepaid in an amount equal to the applicable *pro rata* portion of the Extension Prepayment Amount based on the then outstanding principal balance of the Mezzanine Loan provided that, with respect to the exercise of each Extension Option (a) all other conditions to such prepayment and extension set forth in Section 2.4.1(b) and Section 2.3.3(b), as applicable, are satisfied as of such Maturity Date, and (b) Borrower pays Lender, in addition to the outstanding principal amount of the Loan to be prepaid, (i) all interest which would have accrued on the amount of the Loan to be paid through and including the last day of the Interest Period related to the Payment Date next occurring following the date of such prepayment (after giving effect to the applicable extension), or, if such prepayment occurs on a Payment Date, through and including the last day of the Interest Period related to such Payment Date; (ii) all other sums then due and payable under this Agreement, the Note, and the other Loan Documents, including, but not limited to the Breakage Costs and all of Lender's costs and expenses (including reasonable attorney's fees and disbursements) actually incurred by Lender in connection with such prepayment and (iii) if such prepayment is made

prior to the Spread Maintenance End Date, the Spread Maintenance Payment. If a notice of prepayment is given by Borrower to Lender pursuant to this Section 2.4.4, the amount designated for prepayment and all other sums required under this Section 2.4.4 shall be due and payable on the proposed prepayment date unless such prepayment is revoked or modified by Borrower upon two (2) Business Days' prior written notice to Lender, provided that Borrower shall pay all of Lender's reasonable costs and expenses actually incurred in connection with such revocation or modification.

2.4.5 Application of Prepayments to Components. Any prepayment of the principal of the Loan, in whole or in part, voluntary or involuntary, when no Event of Default then exists shall be applied by Lender among the Components as follows: (a) first, to the reduction of the outstanding principal balance of Component A, until reduced to zero, (b) second, to the reduction of the outstanding principal balance of Component B, until reduced to zero, (c) third, to the reduction of the outstanding principal balance of Component C, until reduced to zero, (d) fourth, to the reduction of the outstanding principal balance of Component D, until reduced to zero, (e) fifth, to the reduction of the outstanding principal balance of Component E, until reduced to zero; (f) sixth, to the reduction of the outstanding principal balance of Component F, until reduced to zero and (g) seventh, to the reduction of the outstanding principal balance of Component HRR, until reduced to zero. Following the occurrence and continuance of any Event of Default, any payment of principal from whatever source may be applied by Lender among the Components in Lender's sole discretion.

Section 2.5 Release of Property. Except as set forth in this Section 2.5, no repayment or prepayment of all or any portion of the Loan shall cause, give rise to a right to require, or otherwise result in, the release of any Lien of the Mortgage on the Property.

2.5.1 Release of Property Upon Payment in Full. (a) If Borrower has elected to prepay the entire Loan and the requirements of Section 2.4 and this Section 2.5 have been satisfied, all of the Property shall be released from the Lien of the Mortgage.

(b) In connection with the release of the Mortgage, Borrower shall submit to Lender, not less than thirty (30) days prior to such release, a release of Lien (and related Loan Documents) for the Property for execution by Lender. Such release shall be in a form appropriate in the jurisdiction in which the Property is located and that would be satisfactory to a prudent lender and contains standard provisions, if any, protecting the rights of the releasing lender. In addition, Borrower shall provide all other documentation Lender reasonably requires to be delivered by Borrower in connection with such release. Borrower shall reimburse Lender and Servicer for any costs and expenses Lender and Servicer actually incur arising from such release (including reasonable attorneys' fees and expenses) and Borrower shall pay, in connection with such release, (i) all recording charges, filing fees, taxes or other expenses payable in connection therewith, and (ii) to any Servicer, the current, reasonable fee being assessed by such Servicer to effect such release.

Section 2.6 Lockbox Account/Cash Management.

2.6.1 Lockbox Account. (a) During the term of the Loan, Borrower or Operating Lessee shall establish and maintain an account (the "**Lockbox Account**") with

Lockbox Bank in trust for the benefit of Lender, which Lockbox Account shall be under the sole dominion and control of Lender. The Lockbox Account shall be entitled “Thor Palmer House Hotel LLC and Thor Palmer House Hotel & Shops LLC, as Mortgagor, and JPMorgan Chase Bank, National Association, as Lender, pursuant to Loan Agreement dated as of June 8, 2018 – Lockbox Account”. Borrower hereby grants to Lender a first-priority security interest in the Lockbox Account and all deposits at any time contained therein and the proceeds thereof and will take all actions necessary to maintain in favor of Lender a perfected first priority security interest in the Lockbox Account, including, without limitation, filing UCC-1 Financing Statements and continuations thereof. Lender and Servicer shall have the sole right to make withdrawals from the Lockbox Account, in accordance with the Cash Management Agreement and all costs and expenses for establishing and maintaining the Lockbox Account shall be paid by Borrower or Operating Lessee. All monies now or hereafter deposited into the Lockbox Account shall be deemed additional security for the Debt. The Lockbox Agreement and Lockbox Account shall remain in effect until the Loan has been repaid in full.

(b) Borrower shall, or shall cause Manager or Operating Lessee to, deposit all amounts received directly by Borrower or Operating Lessee or Manager constituting Rents into the Lockbox Account within one (1) Business Day after receipt thereof. Lender acknowledges that Rents deposited with Hilton Manager pursuant to the terms of the Management Agreement shall be deposited by Hilton into the Lockbox Account on the thirteenth (13th) day of each calendar month, or if such day is not a Business Day, on the immediately preceding Business Day.

(c) Borrower or Operating Lessee shall obtain from Lockbox Bank its agreement to transfer to the Cash Management Account in immediately available funds by federal wire transfer all amounts on deposit in the Lockbox Account once every Business Day throughout the term of the Loan.

(d) Upon the occurrence and during the continuance of an Event of Default, Lender may, in addition to any and all other rights and remedies available to Lender, apply any sums then present in the Lockbox Account to the payment of the Debt in any order in its sole discretion.

(e) The Lockbox Account shall not be commingled with other monies held by Borrower, Operating Lessee, Manager or Lockbox Bank.

(f) Neither Borrower nor Operating Lessee shall not further pledge, assign or grant any security interest in the Lockbox Account or the monies deposited therein or permit any lien or encumbrance to attach thereto, or any levy to be made thereon, or any UCC-1 Financing Statements, except those naming Lender as the secured party, to be filed with respect thereto.

(g) Borrower shall indemnify Lender and hold Lender harmless from and against any and all actions, suits, claims, demands, liabilities, losses, damages, obligations and costs and expenses (including litigation costs and reasonable attorneys’ fees and expenses) actually incurred by Lender and arising from or in any way connected with the Lockbox Account and/or the Lockbox Agreement (unless arising from the gross negligence or willful misconduct of Lender) or the performance of the obligations for which the Lockbox Account was established.

2.6.2 Cash Management Account. (a) During the term of the Loan, Borrower shall establish and maintain a segregated Eligible Account (the “**Cash Management Account**”) to be held by Agent in trust and for the benefit of Lender, which Cash Management Account shall be under the sole dominion and control of Lender. The Cash Management Account shall be entitled “Thor Palmer House Hotel & Shops LLC, as Borrower, and JPMorgan Chase Bank, National Association and its successors and assigns, as Lender, pursuant to Loan Agreement dated as of June 8, 2018 - Cash Management Account”. Borrower hereby grants to Lender a first priority security interest in the Cash Management Account and all deposits at any time contained therein and the proceeds thereof and will take all actions necessary to maintain in favor of Lender a perfected first priority security interest in the Cash Management Account, including, without limitation, filing UCC-1 Financing Statements and continuations thereof. Borrower will not in any way alter or modify the Cash Management Account and will notify Lender of the account number thereof. Lender and Servicer shall have the sole right to make withdrawals from the Cash Management Account and all costs and expenses for establishing and maintaining the Cash Management Account shall be paid by Borrower.

(b) The insufficiency of funds on deposit in the Cash Management Account shall not relieve Borrower from the obligation to make any payments, as and when due pursuant to this Agreement and the other Loan Documents, and such obligations shall be separate and independent, and not conditioned on any event or circumstance whatsoever.

(c) All funds on deposit in the Cash Management Account following the occurrence and continuance of an Event of Default may be applied by Lender in such order and priority as Lender shall determine.

(d) Borrower hereby agrees that Lender may modify the Cash Management Agreement solely for the purpose of establishing additional sub-accounts in connection with any payments otherwise required under this Agreement and the other Loan Documents and Lender shall provide notice thereof to Borrower.

2.6.3 Payments Received under the Cash Management Agreement. Notwithstanding anything to the contrary contained in this Agreement or the other Loan Documents, and provided no Event of Default has occurred and is continuing, Borrower’s obligations with respect to the payment of the Monthly Debt Service Payment Amount and amounts required to be deposited into the Reserve Funds, if any, shall be deemed satisfied to the extent sufficient amounts are deposited in the Cash Management Account to satisfy such obligations pursuant to this Agreement on the dates each such payment is required, regardless of whether any of such amounts are so applied by Lender.

Section 2.7 Withholding Taxes.

(a) **Payments Free of Taxes.** Any and all payments by or on account of any obligation of Borrower under any Loan Document shall be made without deduction or withholding for any Section 2.7 Taxes, except as required by applicable law. If any applicable law (as determined in the good faith discretion of Borrower) requires the deduction or withholding of any Section 2.7 Tax from any such payment by Borrower, then Borrower shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or

withheld to the relevant Governmental Authority in accordance with applicable law and, if such Section 2.7 Tax is an Indemnified Tax, then the sum payable by Borrower shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section 2.7) the Lender receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(b) Payment of Other Taxes by Borrower. Borrower shall timely pay to the relevant Governmental Authority in accordance with applicable law any Other Taxes.

(c) Indemnification by Borrower. Borrower shall indemnify Lender, within fifteen (15) days after receipt of written demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section) payable or paid by such Lender or required to be withheld or deducted from a payment to such Lender and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to Borrower by a Lender shall be conclusive absent manifest error.

(d) Evidence of Payments. As soon as practicable after any payment of Section 2.7 Taxes by Borrower to a Governmental Authority pursuant to this Section 2.7, Borrower shall deliver to the Lender the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Lender.

(e) Status of Lenders.

(i) Any Lender that is entitled to an exemption from or reduction of withholding Section 2.7 Tax with respect to payments made under any Loan Document shall deliver to Borrower, at the time or times reasonably requested by Borrower, such properly completed and executed documentation reasonably requested by Borrower as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by Borrower, shall deliver such other documentation prescribed by applicable law or reasonably requested by Borrower as will enable Borrower to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 2.7(e)(ii)(A), (ii)(B) and (ii)(D) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing, in the event that Borrower is a U.S. Borrower,

(A) any Lender that is a U.S. Person shall deliver to Borrower on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of Borrower), executed originals of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax;

(B) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to Borrower (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of Borrower), whichever of the following is applicable:

(1) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, executed originals of IRS Form W-8BEN establishing an exemption from, or reduction of, U.S. federal withholding Section 2.7 Tax pursuant to the “interest” article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN establishing an exemption from, or reduction of, U.S. federal withholding Section 2.7 Tax pursuant to the “business profits” or “other income” article of such tax treaty;

(2) executed originals of IRS Form W-8ECI;

(3) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit A-1 to the effect that such Foreign Lender is not a “bank” within the meaning of Section 881(c)(3)(A) of the Code, a “10 percent shareholder” of Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a “controlled foreign corporation” described in Section 881(c)(3)(C) of the Code (a “**U.S. Tax Compliance Certificate**”) and (y) executed originals of IRS Form W-8BEN; or

(4) to the extent a Foreign Lender is a partnership or is not the beneficial owner, executed originals of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN, a U.S. Tax Compliance Certificate substantially in the form of Exhibit A-2 or Exhibit A-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit A-4 on behalf of each such direct and indirect partner;

(C) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to Borrower (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of Borrower), executed originals of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. federal withholding tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit Borrower to determine the withholding or deduction required to be made; and

(D) if a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to Borrower at the time or times prescribed by law and at such time or times reasonably requested by Borrower such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by Borrower as may be necessary for Borrower to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify Borrower in writing of its legal inability to do so.

(f) Treatment of Certain Refunds. If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Section 2.7 Taxes as to which it has been indemnified pursuant to this Section 2.7 (including by the payment of additional amounts pursuant to this Section 2.7, it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section with respect to the Section 2.7 Taxes giving rise to such refund), net of all out-of-pocket expenses (including Section 2.7 Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this paragraph (f) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (f), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (f) the payment of which would place the indemnified party in a less favorable net after-tax position than the indemnified party would have been in if the Section 2.7 Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Section 2.7 Tax had never been paid. This paragraph

shall not be construed to require any indemnified party to make available its tax returns (or any other information relating to its Section 2.7 Taxes that it deems confidential) to the indemnifying party or any other Person.

(g) **Survival.** Each party's obligations under this Section 2.7 shall survive any assignment of rights by, or the replacement of, a Lender and the repayment, satisfaction or discharge of all obligations under any Loan Document. Notwithstanding the foregoing or anything to the contrary set forth in this Section 2.7, Borrower shall not be obligated to pay pursuant to this Section 2.7, and Lender shall not be entitled to claim compensation pursuant to this Section 2.7, for any amounts which were incurred or which accrued more than ninety (90) days before the date Lender notified Borrower in writing of the circumstance on which such claim of compensation is based and delivered to Borrower a written statement setting forth in reasonable detail the basis for calculating the amounts payable by Borrower under this Section 2.7.

ARTICLE III – CONDITIONS PRECEDENT

Section 3.1 **Conditions Precedent to Closing.** The obligation of Lender to make the Loan hereunder is subject to the fulfillment by Borrower or waiver by Lender of all of the conditions precedent to closing set forth in the application or term sheet for the Loan delivered by Borrower to Lender and the commitment or commitment rider, if any, to the application or term sheet for the Loan issued by Lender. The funding of the Loan shall be de facto evidence that the conditions in Section 3.1 have been satisfied.

ARTICLE IV – REPRESENTATIONS AND WARRANTIES

Section 4.1 **Borrower Representations.** Borrower represents and warrants as of the date hereof that:

4.1.1 **Organization.** Each of Borrower and Operating Lessee has been duly organized and is validly existing and in good standing with requisite power and authority to own or lease the Property, as applicable, and to transact the businesses in which it is now engaged. Each of Borrower and Operating Lessee is duly qualified to do business and is in good standing in each jurisdiction where it is required to be so qualified in connection with its businesses and operations. Each of Borrower and Operating Lessee possesses all rights, licenses, permits and authorizations, governmental or otherwise, necessary to entitle it to own or lease the Property, as applicable, and to transact the businesses in which it is now engaged, and the sole business of Borrower and Operating Lessee is the ownership or lease, management and operation of the Property. The ownership interests in Borrower and Operating Lessee are as set forth on the organizational chart attached hereto as Schedule III.

4.1.2 **Proceedings.** Borrower and Operating Lessee have each taken all necessary action to authorize the execution, delivery and performance of this Agreement and the other Loan Documents, as applicable. This Agreement and such other Loan Documents have been duly executed and delivered by or on behalf of Borrower and Operating Lessee and constitute legal, valid and binding obligations of Borrower and Operating Lessee enforceable against Borrower and Operating Lessee in accordance with their respective terms, subject only to

applicable bankruptcy, insolvency and similar laws affecting rights of creditors generally, and subject, as to enforceability, to general principles of equity (regardless of whether enforcement is sought in a proceeding in equity or at law).

4.1.3 **No Conflicts.** The execution, delivery and performance of this Agreement and the other Loan Documents by Borrower and Operating Lessee will not conflict with or result in a breach of any of the terms or provisions of, or constitute a default under, or result in the creation or imposition of any lien, charge or encumbrance (other than pursuant to the Loan Documents) upon any of the property or assets of Borrower or Operating Lessee, as applicable, pursuant to the terms of any indenture, mortgage, deed of trust, loan agreement, partnership agreement, management agreement or other agreement or instrument to which Borrower or Operating Lessee is a party or by which any of the Property or Borrower's or Operating Lessee's assets is subject, nor will such action result in any violation of the provisions of any statute or any order, rule or regulation of any Governmental Authority having jurisdiction over Borrower or Operating Lessee or any of Borrower's or Operating Lessee's properties or assets, and any consent, approval, authorization, order, registration or qualification of or with any court or any such Governmental Authority required for the execution, delivery and performance by Borrower or Operating Lessee of this Agreement or any other Loan Documents has been obtained and is in full force and effect.

4.1.4 **Litigation.** There are no actions, suits or proceedings at law or in equity by or before any Governmental Authority or other agency now pending or, to Borrower's knowledge, threatened against or affecting Borrower, Operating Lessee, Guarantor or the Property, which actions, suits or proceedings, if determined against Borrower, Operating Lessee, Guarantor or the Property, would be reasonably likely to materially adversely affect the condition (financial or otherwise) or business of Borrower, Operating Lessee, Guarantor or the condition or ownership of the Property.

4.1.5 **Agreements.** Neither Borrower nor Operating Lessee is a party to any agreement or instrument or subject to any restriction which would be reasonably likely to materially and adversely affect Borrower, Operating Lessee or the Property, or Borrower's or Operating Lessee's business, properties or assets, operations or condition, financial or otherwise. Neither Borrower nor Operating Lessee is in default in any material respect in the performance, observance or fulfillment of any of the obligations, covenants or conditions contained in any agreement or instrument to which it is a party or by which Borrower, Operating Lessee or the Property is bound. Neither Borrower nor Operating Lessee has any material financial obligation under any indenture, mortgage, deed of trust, loan agreement or other agreement or instrument to which Borrower or Operating Lessee is a party or by which Borrower, Operating Lessee or the Property is otherwise bound, other than (a) obligations incurred in the ordinary course of the operation of the Property as permitted pursuant to clause (xxiii) of the definition of "Special Purpose Entity" set forth in Section 1.1 hereof and (b) obligations under the Loan Documents.

4.1.6 **Title.** Borrower has good, marketable and insurable fee simple title to the real property comprising part of the Property and good title to the balance of the Property, free and clear of all Liens whatsoever except the Permitted Encumbrances, such other Liens as are permitted pursuant to the Loan Documents and the Liens created by the Loan Documents. Operating Lessee has good and marketable title to the leasehold interest with respect to the

Property granted by the Operating Lease. The Permitted Encumbrances in the aggregate do not materially and adversely affect the value, operation or use of the Property (as currently used) or Borrower's ability to repay the Loan. The Mortgage, when properly recorded in the appropriate records, together with any Uniform Commercial Code financing statements required to be filed in connection therewith, will create (a) a valid, perfected first priority lien on the Property and the Operating Lease, subject only to Permitted Encumbrances and the Liens created by the Loan Documents and (b) perfected security interests in and to, and perfected collateral assignments of, all personalty (including the Leases), all in accordance with the terms thereof, in each case subject only to any applicable Permitted Encumbrances, such other Liens as are permitted pursuant to the Loan Documents and the Liens created by the Loan Documents. There are no claims for payment for work, labor or materials affecting the Property which are or may become a Lien prior to, or of equal priority with, the Liens created by the Loan Documents.

4.1.7 Solvency. Neither Borrower nor Operating Lessee has entered into this transaction or executed the Note, this Agreement or any other Loan Documents with the actual intent to hinder, delay or defraud any creditor, and Borrower and Operating Lessee have received reasonably equivalent value in exchange for its obligations under the Loan Documents. Giving effect to the Loan, the fair saleable value of Borrower's and Operating Lessee's respective assets exceeds and will, immediately following the making of the Loan, exceed Borrower's and Operating Lessee's respective total liabilities, including, without limitation, subordinated, unliquidated, disputed and contingent liabilities. The fair saleable value of Borrower's and Operating Lessee's respective assets is and will, immediately following the making of the Loan, be greater than Borrower's and Operating Lessee's respective probable liabilities, including the maximum amount of its contingent liabilities on its debts as such debts become absolute and matured. Borrower's and Operating Lessee's respective assets do not and, immediately following the making of the Loan will not, constitute unreasonably small capital to carry out its business as conducted or as proposed to be conducted. Neither Borrower nor Operating Lessee intends to, or believes that it will, incur debt and liabilities (including contingent liabilities and other commitments) beyond its ability to pay such debt and liabilities as they mature (taking into account the timing and amounts of cash to be received by Borrower and Operating Lessee and the amounts to be payable on or in respect of obligations of Borrower and Operating Lessee). No petition in bankruptcy has been filed against Borrower or Operating Lessee or any constituent Person in the last seven (7) years, and neither Borrower nor Operating Lessee nor any constituent Person in the last seven (7) years has ever made an assignment for the benefit of creditors or taken advantage of any insolvency act for the benefit of debtors. Neither Borrower nor Operating Lessee nor any of its constituent Persons are contemplating either the filing of a petition by it under any state or federal bankruptcy or insolvency laws or the liquidation of all or a major portion of Borrower's or Operating Lessee's respective assets or property, and Borrower has no knowledge of any Person contemplating the filing of any such petition against it or such constituent Persons.

4.1.8 Full and Accurate Disclosure. No statement of fact made by Borrower or Operating Lessee in this Agreement or in any of the other Loan Documents contains any untrue statement of a material fact or omits to state any material fact necessary to make statements contained herein or therein not misleading. There is no material fact presently known to Borrower which has not been disclosed to Lender which adversely affects, nor as far as Borrower

can foresee, would be reasonably expected to adversely affect, the Property or the business, operations or condition (financial or otherwise) of Borrower or Operating Lessee.

4.1.9 ERISA.

(a) Generally. Each of the Borrower, Guarantor and their ERISA Affiliates is in compliance in all material respects with the applicable provisions of ERISA, the Code and other applicable law relating to any Plans and the regulations and published interpretations thereunder. Neither Borrower nor Guarantor has incurred or reasonably expects to incur any liability for a Prohibited Transaction (as such term is defined in Section 406 of ERISA or Section 4975 of the Code). No ERISA Event or termination of any Plan has occurred or is reasonably expected to occur and no notice of termination has been filed by or with the PBGC with respect to any Plan established or maintained by Borrower, Guarantor or any ERISA Affiliate. Neither Borrower, Guarantor nor any ERISA Affiliate is or was a party to any Multiemployer Plan. With respect to each Foreign Benefit Arrangement and with respect to each Foreign Plan, (i) any employer and employee contributions required by law or by the terms of any Foreign Benefit Arrangement or any Foreign Plan have been made, or, if applicable, accrued, in accordance with normal accounting practices, (ii) the fair market value of the assets of each funded Foreign Plan, the liability of each insurer for any Foreign Plan funded through insurance or the book reserve established for any Foreign Plan, together with any accrued contributions, is sufficient to procure or provide for the accrued benefit obligations, as of the date hereof, with respect to all current and former participants in such Foreign Plan according to the actuarial assumptions and valuations most recently used to account for such obligations in accordance with applicable generally accepted accounting principles, and (iii) each Foreign Plan that is required to be registered has been registered and has been maintained in good standing with applicable regulatory authorities.

(b) Plan Assets; Prohibited Transactions. Neither the Borrower nor the Guarantor is, and neither shall become an entity deemed to hold “plan assets” within the meaning of 29 C.F.R. § 2510.3-101 (as modified by Section 3(42) of ERISA) of an employee benefit plan (as defined in Section 3(3) of ERISA) which is subject to Title I of ERISA or any plan (within the meaning of and subject to Section 4975 of the Code). Neither the Borrower nor the Guarantor is a “governmental plan” within the meaning of Section 3(32) of ERISA and transactions by or with Borrower or Guarantor are not subject to any state or other statute, regulation or other restriction regulating investments of, or fiduciary obligations with respect to, governmental plans within the meaning of Section 3(32) of ERISA which is similar to Section 406 of ERISA or Section 4975 of the Code (“**Similar Law**”). The execution of this Agreement, the making of the Loan and the other transactions contemplated by the Loan Documents, including but not limited to the exercise by the Lender of its rights under the Loan Documents, are not and will not give rise to an unexempt Prohibited Transaction within the meaning of Section 406 of ERISA or Section 4975 of the Code, and are not prohibited or otherwise restricted by Similar Law.

4.1.10 Compliance. Except as set forth in the Zoning Report prepared by The Planning & Zoning Resource Corporation and dated as of June 7, 2018, the Property Condition Report and the Environmental Report delivered to Lender in connection with the Loan, Borrower, Operating Lessee and the Property and the use thereof comply in all material respects with all applicable Legal Requirements, including, without limitation, building and zoning

ordinances and codes. Neither Borrower nor Operating Lessee is in default or violation of any order, writ, injunction, decree or demand of any Governmental Authority. There has not been committed by Borrower, Operating Lessee or any other Person in occupancy of or involved with the operation or use of the Property any act or omission affording the federal government or any other Governmental Authority the right of forfeiture as against the Property or any part thereof or any monies paid in performance of Borrower's obligations under any of the Loan Documents. On the Closing Date, the Improvements at the Property were in material compliance with applicable law.

4.1.11 **Financial Information.** All financial data, including, without limitation, the statements of cash flow and income and operating expense, that have been delivered to Lender by or on behalf of Borrower in connection with the Loan (a) are true, complete and correct in all material respects, (b) accurately represent, in all material respects, the financial condition of Borrower, Operating Lessee and the Property, as applicable, as of the date of such reports, and (c) to the extent prepared or audited by an independent certified public accounting firm, have been prepared in accordance with GAAP or the Uniform System of Accounts throughout the periods covered, except as disclosed therein. Except for Permitted Encumbrances, neither Borrower nor Operating Lessee has any contingent liabilities, liabilities for taxes, unusual forward or long-term commitments or unrealized or anticipated losses from any unfavorable commitments that are known to Borrower and reasonably likely to have a material adverse effect on Borrower's or Operating Lessee's financial condition, the value of the Property or the Property's Net Operating Income, except as referred to or reflected in said financial statements. Since the date of such financial statements, there has been no material adverse change in the financial condition, operations or business of Borrower or Operating Lessee from that set forth in said financial statements.

4.1.12 **Condemnation.** No Condemnation or other similar proceeding has been commenced or, to Borrower's actual knowledge, is threatened or contemplated with respect to all or any portion of the Property or for the relocation of roadways providing access to the Property.

4.1.13 **Federal Reserve Regulations.** No part of the proceeds of the Loan will be used for the purpose of purchasing or acquiring any "margin stock" within the meaning of Regulation U of the Board of Governors of the Federal Reserve System or for any other purpose which would be inconsistent with such Regulation U or any other Regulations of such Board of Governors, or for any purposes prohibited by Legal Requirements or by the terms and conditions of this Agreement or the other Loan Documents.

4.1.14 **Utilities and Public Access.** The Property has rights of access to public ways and is served by water, sewer, sanitary sewer and storm drain facilities adequate to service the Property for its intended uses. All public utilities necessary or convenient to the full use and enjoyment of the Property are located either in the public right-of-way abutting the Property (which are connected so as to serve the Property without passing over other property) or in recorded easements serving the Property and such easements are set forth in and insured by the Title Insurance Policy. All roads necessary for the use of the Property for its current purposes have been completed and dedicated to public use and accepted by all Governmental Authorities.

4.1.15 **Not a Foreign Person.** Neither Borrower nor Operating Lessee is a “foreign person” within the meaning of §1445(f)(3) of the Code.

4.1.16 **Separate Lots.** The Property is comprised of one (1) or more parcels which are separately assessed by the Cook County assessor as property identification numbers 17-15-102-018-0000, 17-15-102-019-0000, 17-15-102-020-0000, 17-15-102-021-0000 and 17-15-102-022-0000, which, collectively do not contain any property other than the Property.

4.1.17 **Assessments.** There are no pending or, to Borrower’s knowledge, proposed special or other assessments for public improvements or otherwise affecting the Property, nor are there any contemplated improvements to the Property that may result in such special or other assessments.

4.1.18 **Enforceability.** The Loan Documents are enforceable by Lender (or any subsequent holder thereof) in accordance with their respective terms, subject to principles of equity and bankruptcy, insolvency and other laws generally applicable to creditors’ rights and the enforcement of debtors’ obligations. The Loan Documents are not subject to any right of rescission, set-off, counterclaim or defense by Borrower, Operating Lessee or Guarantor, including the defense of usury, nor would the operation of any of the terms of the Loan Documents, or the exercise of any right thereunder, render the Loan Documents unenforceable (subject to principles of equity and bankruptcy, insolvency and other laws generally affecting creditors’ rights and the enforcement of debtors’ obligations), and neither Borrower, Operating Lessee nor Guarantor has asserted any right of rescission, set-off, counterclaim or defense with respect thereto.

4.1.19 **No Prior Assignment.** There are no prior assignments of the Leases or any portion of the Rents due and payable or to become due and payable which are presently outstanding.

4.1.20 **Insurance.** Borrower has obtained and has delivered to Lender certified copies of, or certificates evidencing, the Policies reflecting the insurance coverages, amounts and other requirements set forth in this Agreement. Except as set forth on Schedule IX hereto, no claims have been made or are currently pending, outstanding or otherwise remain unsatisfied under any such Policy, and neither Borrower nor any other Person, has done, by act or omission, anything which would impair the coverage of any such Policy.

4.1.21 **Use of Property.** The Property is used exclusively for hotel purposes and other appurtenant and related uses.

4.1.22 **Certificate of Occupancy; Licenses.** All certifications, permits, licenses and approvals, including without limitation, certificates of completion, occupancy permits, hospitality licenses, and liquor licenses required for the legal use, occupancy and operation of the Property have been obtained and are in full force and effect. The use being made of the Property is in conformity with the certificate of occupancy issued for the Property. Borrower shall cause Operating Lessee or Manager to keep and maintain all licenses necessary for the operation of the property as a hotel (including, without limitation, any liquor licenses).

4.1.23 **Flood Zone.** None of the Improvements on the Property are located in an area as identified by the Federal Emergency Management Agency as an area having special flood hazards, or, if so located, the flood insurance required pursuant to Section 6.1(a)(i) is in full force and effect with respect to the Property.

(b) Following the occurrence and during the continuance of an Event of Default, Borrower shall not, nor shall it permit Operating Lessee to, exercise any rights, make any decisions, grant any approvals or otherwise take any action under the Operating Lease without the prior written consent of Lender, which consent may be granted, conditioned or withheld in Lender's sole discretion.

(c) Notwithstanding anything contained to the contrary in subsection (a)(iii) to the contrary, Borrower shall be entitled to terminate or modify any Operating Lease upon satisfaction of the following conditions: (i) in connection with a termination, Operating Lessee shall transfer to Borrower any property, licenses, contracts, the Management Agreement and Equipment pertaining to Operating Lessee's business conducted at the Property, and Borrower shall provide evidence reasonably satisfactory to Lender (which shall include, but not be limited to an Officer's Certificate) indicating that such transfer shall have been in accordance with any applicable Legal Requirements, and contractual provisions of the Management Agreement and/or contracts and where the consent to such transfer shall be required by any third parties, Borrower shall obtain such consents and provide copies of the same to Lender; (ii) Borrower shall, at its own expense, execute such documents as Lender may reasonably require to spread the Lien of the Mortgage to cover such assets or separately encumber such assets through another appropriate security instrument, and Borrower further agrees to pay Lender's costs and expenses (including, without limitation, reasonable counsel fees) in connection with preparing

and reviewing the aforesaid amendment documents; (iii) in connection with a termination, Borrower shall provide evidence reasonably satisfactory to Lender that the transfer described in clause (i) above shall not constitute a fraudulent conveyance under any applicable Legal Requirements, (d) in connection with a termination, Borrower shall deliver, at its sole expense, executed amendments to any Loan Document to which Operating Lessee was a party reflecting the termination of the Operating Lease and Borrower further agrees to pay Lender's reasonable costs and expenses actually incurred (including, without limitation, reasonable counsel fees) in connection with preparing and reviewing the aforesaid amendment documents; (iv) Borrower shall deliver reasonably satisfactory evidence to Lender indicating that such modification is due solely to the existence of one of the following circumstances: (A) damage or destruction to a sufficient portion of an Property to change the operating profile or potential, (B) an expansion or significant capital investment that would result in a significant change in operations at the Property (and as may be permitted pursuant to this Agreement), (C) the replacement of Manager at the Property (as permitted pursuant to this Agreement), or (D) such modification is necessary to comply with the REIT requirements and standards of the Code; and (v) Borrower shall deliver reasonably satisfactory evidence to Lender indicating that any such termination of the Operating Lease shall not be likely to cause a material adverse effect on Borrower's or Operating Lessee's financial condition, the value of the Property or the Property's Net Operating Income, as determined by Lender.

In addition, Borrower shall obtain, or cause Operating Lessee to obtain: (y) if any portion of the Improvements is currently or at any time in the future located in a federally designated “special flood hazard area”, flood hazard insurance in an amount equal to (1) the maximum amount of such insurance available under the National Flood Insurance Act of 1968, the Flood Disaster Protection Act of 1973 or the National Flood Insurance Reform Act of 1994, as

each may be amended plus (2) such greater amount as Lender shall require, and (z) earthquake insurance in amounts and in form and substance satisfactory to Lender in the event the Property is located in an area with a high degree of seismic activity; provided that the insurance pursuant to clauses (y) and (z) hereof shall be on terms consistent with the comprehensive all risk insurance policy required under this Section 6.1(a)(i);

The amount of such business income or rental loss insurance shall be determined prior to the date hereof and at least once each year thereafter based on the "Business Interruption Loss Worksheet" completed by Borrower for the Property for the succeeding twelve (12) month period . Notwithstanding the provisions of Section 2.6.1 hereof, all proceeds payable to Lender pursuant to this subsection shall be held by Lender and shall be applied to the obligations secured by the Loan Documents from time to time due and payable hereunder and under the Note; provided, however, that nothing herein contained shall be deemed to relieve Borrower of its obligations to pay the obligations secured by the Loan Documents on the respective dates of payment provided for in this Agreement and the other Loan Documents except to the extent such amounts are actually paid out of the proceeds of such business income insurance;

(iii) at all times during which structural construction, repairs or alterations are being made with respect to the Improvements, and only if the property and liability coverage forms do not otherwise apply, (A) commercial general liability and umbrella/excess liability insurance, covering claims related to the structural construction, repairs or alterations being made at the Property which are not covered by or under the terms or provisions of the below mentioned commercial general liability and umbrella/excess liability insurance policies and (B) the insurance provided for in Section 6.1(a)(i) above written in a so-called builder's risk completed value form (1) on a non-reporting basis, (2) against all risks insured against pursuant to subsection (i) above, (3) including permission to occupy the Property and (4) with an agreed amount endorsement waiving co-insurance provisions;

(x) upon sixty (60) days written notice, such other reasonable insurance, including, but not limited to, sinkhole or land subsidence insurance, and in such reasonable amounts as Lender from time to time may reasonably request against such other insurable hazards which at the time are commonly insured against for property similar to the Property located in or around the region in which the Property is located.

(b) All insurance provided for in Section 6.1(a) hereof, shall be obtained under valid and enforceable policies (collectively, the “**Policies**” or in the singular, the “**Policy**”), and shall be subject to the approval of Lender as to insurance companies, amounts, deductibles, loss payees and insureds. The Policies shall be issued by (1) financially sound and responsible insurance companies authorized to do business in the State and having a rating of (x) “A” or better by S&P and (y) “A2” or better by Moody’s, if Moody’s rates the Securities and rates the applicable insurance company, and (z) “A” or better by Fitch, to the extent Fitch rates the Securities and rates the applicable insurance company (provided, however for multi-layered

The Policies described in Section 6.1 hereof (other than those strictly limited to liability protection) shall designate Lender as loss payee. Not less than ten (10) days prior to the expiration dates of the Policies theretofore furnished to Lender, certificates of insurance evidencing the Policies, to be followed by complete copies of the Policies upon issuance, accompanied by evidence satisfactory to Lender of payment of the premiums due thereunder (the “**Insurance Premiums**”), shall be delivered by Borrower to Lender. Borrower shall, within three (3) Business Days, forward to Lender a copy of each written notice received by Borrower of any proposed or actual modification, reduction or cancellation of any of the Policies or of any of the coverages afforded under any of the Policies.

(c) Any blanket insurance Policy shall specifically allocate to the Property the amount of coverage from time to time required hereunder or shall otherwise provide the same protection as would a separate Policy insuring only the Property in compliance with the provisions of Section 6.1(a) hereof. To the extent that the Policies are maintained pursuant to a blanket insurance Policy that covers more than one location within a one thousand foot radius of the Property (the “**Radius**”), the limits of such blanket insurance Policy shall be sufficient to maintain coverage on a total insured value basis in compliance with the provisions of Section 6.1(a) for each such location within the Radius, including the Property.

(d) All Policies provided for or contemplated by Section 6.1(a) hereof, shall name Borrower as a named insured and, with respect to liability policies, except for the Policies referenced in Section 6.1(a)(vi) and (viii) of this Agreement, shall name Lender, and its successors and/or assigns, as the additional insured, as its interests may appear, and in the case of property policies, including, but not limited to terrorism, boiler and machinery, flood and earthquake insurance, shall contain a standard non-contributing mortgagee clause in favor of Lender providing that the loss thereunder shall, to the extent of Lender’s interest in the Policy, be payable to Lender.

(e) All property Policies shall contain clauses or endorsements to the effect that:

(i) no act or negligence of Borrower, or anyone acting for Borrower, or of any Tenant or other occupant, or failure to comply with the provisions of any Policy, which might otherwise result in a forfeiture of the insurance or any part thereof, or foreclosure or similar action, shall in any way affect the validity or enforceability of the insurance insofar as Lender is concerned;

(ii) the Policy shall not be canceled without at least thirty (30) days written notice to Lender, except ten (10) days' notice for non-payment of premiums;

(iii) the issuers thereof shall give written notice to Lender if the issuers elect not to renew the Policy prior to its expiration; and

(iv) Lender shall not be liable for any Insurance Premiums thereon or subject to any assessments thereunder.

(f) If at any time Lender is not in receipt of written evidence that all insurance required hereunder is in full force and effect, Lender shall have the right, without notice to Borrower, to take such action as Lender deems necessary to protect its interest in the Property, including, without limitation, the obtaining of such insurance coverage as Lender in its sole discretion deems appropriate after three (3) Business Days' notice to Borrower if prior to the date upon which any such coverage will lapse or at any time Lender deems necessary (regardless of prior notice to Borrower) to avoid the lapse of any such coverage. All premiums incurred by Lender in connection with such action or in obtaining such insurance and keeping it in effect shall be paid by Borrower to Lender upon demand and, until paid, shall be secured by the Mortgage and shall bear interest at the Default Rate.

Section 6.2 Casualty. If the Property shall be damaged or destroyed, in whole or in part, by fire or other casualty (a "**Casualty**"), Borrower shall give prompt written notice of such damage to Lender and shall, or shall cause Operating Lessee to, promptly commence and diligently prosecute the completion of the Restoration of the Property pursuant to Section 6.4 hereof as nearly as possible to the condition the Property was in immediately prior to such Casualty, with such alterations as may be reasonably approved by Lender and otherwise in accordance with Section 6.4 hereof. Borrower shall pay all costs of such Restoration whether or not such costs are covered by insurance. Lender may, but shall not be obligated to make proof of loss if not made promptly by Borrower. In addition, Lender may participate in any settlement discussions with any insurance companies (and shall approve the final settlement, which approval shall not be unreasonably withheld or delayed) with respect to any Casualty in which the Net Proceeds or the costs of completing the Restoration are equal to or greater than \$1,500,000.00 and Borrower shall, or shall cause Operating Lessee to, deliver to Lender all instruments reasonably required by Lender to permit such participation.

Section 6.3 Condemnation. (a) Borrower shall, promptly give Lender notice of the actual or threatened (in writing) commencement of any proceeding for the Condemnation of the Property and shall deliver to Lender copies of any and all papers served in connection with such proceedings. Lender may participate in any such proceedings, and Borrower shall, or shall cause

Operating Lessee to, from time to time deliver to Lender all instruments reasonably requested by it to permit such participation. Borrower shall, or shall cause Operating Lessee to, at its expense, diligently prosecute any such proceedings, and shall consult with Lender, its attorneys and experts, and cooperate with them in the carrying on or defense of any such proceedings. Notwithstanding any taking by any public or quasi-public authority through Condemnation or otherwise (including, but not limited to, any transfer made in lieu of or in anticipation of the exercise of such taking), Borrower shall continue to pay the Debt at the time and in the manner provided for its payment in the Note and in this Agreement and the Debt shall not be reduced until any Award shall have been actually received and applied by Lender, after the deduction of expenses of collection, to the reduction or discharge of the Debt. Lender shall not be limited to the interest paid on the Award by the condemning authority but shall be entitled to receive out of the Award interest at the rate or rates provided herein or in the Note. If any portion of the Property is taken by a condemning authority, Borrower shall or shall cause Operating Lessee to, promptly commence and diligently prosecute the Restoration of the Property pursuant to Section 6.4 hereof and otherwise comply with the provisions of Section 6.4 hereof. If the Property is sold, through foreclosure or otherwise, prior to the receipt by Lender of the Award, Lender shall have the right, whether or not a deficiency judgment on the Note shall have been sought, recovered or denied, to receive the Award, or a portion thereof sufficient to pay the Debt.

(b) Notwithstanding anything to the contrary contained herein or in any other Loan Document, if the Loan or any portion thereof is included in a REMIC Trust and, immediately following a release of any portion of the Lien of the Mortgage in connection with a Condemnation of a Property (but taking into account any proposed Restoration on the remaining portion the Property) (based solely on real property and excluding any personal property or going concern value), the Loan-to-Value Ratio is greater than 125% (such value to be determined, in Lender's sole discretion, by any commercially reasonable method permitted to a REMIC Trust), the principal balance of the Loan must be prepaid down by an amount not less than the least of the following amounts (in each case without penalty or premium): (i) the Condemnation Proceeds, (ii) the fair market value of the released property at the time of the release, or (iii) an amount such that the Loan-to-Value Ratio (as so determined by Lender) does not increase after the release, unless Lender receives an opinion of counsel that if such amount is not paid, the Securitization will not fail to maintain its status as a REMIC Trust as a result of the related release of such portion of the Lien of the Mortgage. Any such prepayment shall be deemed a voluntary prepayment and shall be subject to Section 2.4.1 hereof (other than the requirements to prepay the Debt in full and provide thirty (30) days' notice to Lender).

Section 6.4 Restoration. The following provisions shall apply in connection with the Restoration of the Property:

(a) If the Net Proceeds shall be less than \$1,500,000.00 and the costs of completing the Restoration shall be less than \$1,500,000.00, the Net Proceeds will be disbursed by Lender to Borrower upon receipt, provided that all of the conditions set forth in Section 6.4(b)(i) hereof are met and Borrower delivers to Lender a written undertaking to expeditiously commence and to satisfactorily complete with due diligence the Restoration in accordance with the terms of this Agreement.

(b) If the Net Proceeds are equal to or greater than \$1,500,000.00 or the costs of completing the Restoration is equal to or greater than \$1,500,000.00 Lender shall make the Net Proceeds available for the Restoration in accordance with the provisions of this Section 6.4. The term “Net Proceeds” for purposes of this Section 6.4 shall mean: (i) the net amount of all insurance proceeds received by Lender pursuant to Section 6.1(a)(i), (iv), (ix) and (x) as a result of such damage or destruction, after deduction of its reasonable costs and expenses (including, but not limited to, reasonable counsel fees actually incurred), if any, in collecting same (“**Insurance Proceeds**”), or (ii) the net amount of the Award, after deduction of its reasonable costs and expenses (including, but not limited to, reasonable counsel fees), if any, in collecting same (“**Condemnation Proceeds**”), whichever the case may be.

(i) The Net Proceeds shall be made available to Borrower for Restoration provided that each of the following conditions are met:

(A) no Event of Default shall have occurred and be continuing;

(B) (1) in the event the Net Proceeds are Insurance Proceeds, less than thirty-five percent (35%) of the total floor area of the Improvements on the Property has been damaged, destroyed or rendered unusable as a result of such Casualty or (2) in the event the Net Proceeds are Condemnation Proceeds, less than ten percent (10%) of the land constituting the Property is taken, and such land is located along the perimeter or periphery of the Property, and no portion of the Improvements is located on such land;

(C) Intentionally Omitted;

(D) Borrower shall, or shall cause Operating Lessee to, commence the Restoration as soon as reasonably practicable (but in no event later than sixty (60) days after such Casualty or Condemnation, whichever the case may be, occurs); provided, that if Lender’s approval is required pursuant to this Section 6.4, Borrower shall, or shall cause Operating Lessee to commence the Restoration as soon as reasonably practicable after receiving such approval and shall diligently pursue the same to satisfactory completion;

(E) Lender shall be reasonably satisfied that any operating deficits, including all scheduled payments of interest under the Note and all Mezzanine Debt Service, which will be incurred with respect to the Property as a result of the occurrence of any such Casualty or Condemnation, whichever the case may be, will be covered out of (1) the Net Proceeds, (2) the insurance coverage referred to in Section 6.1(a)(ii) hereof, if applicable, or (3) by other funds of Borrower;

(F) Lender shall be satisfied that the Restoration will be completed on or before the earliest to occur of (1) six (6) months prior to the Maturity Date, (2) the earliest date required for such completion under the terms of the Management Agreement; (3) such time as may be required under all applicable Legal Requirements in order to repair and restore the Property to the condition it

was in immediately prior to such Casualty or to as nearly as possible the condition it was in immediately prior to such Condemnation, as applicable, or (4) the expiration of the insurance coverage referred to in Section 6.1(a)(ii) hereof;

(G) the Property and the use thereof after the Restoration will be in compliance with and permitted under all applicable Legal Requirements;

(H) the Restoration shall be done and completed by Borrower in an expeditious and diligent fashion and in compliance with all applicable Legal Requirements;

(I) such Casualty or Condemnation, as applicable, does not result in the loss of access to the Property or the Improvements;

(J) the Debt Yield for the Property, after giving effect to the Restoration, shall be equal to or exceed (i) if determined on or prior to the commencement of the first Extension Option, seven percent (7.0%), (b) if determined after the commencement of the first Extension Option, but prior to the commencement of the second Extension Option, seven percent (7.0%), (c) if determined on or after the commencement of the second Extension Option, but prior to the commencement of the third Extension Option, eight percent (8.0%), and (c) if determined on or after the commencement of the third Extension Option, eight and one-half percent (8.50%).

(K) Borrower shall deliver, or cause to be delivered, to Lender a signed detailed budget approved in writing by Borrower's architect or engineer stating the entire cost of completing the Restoration, which budget shall be subject to Lender's approval, which approval shall not be unreasonably withheld, conditioned or delayed; and

(L) the Net Proceeds together with any cash or cash equivalent deposited by Borrower with Lender are sufficient in Lender's reasonable discretion to cover the cost of the Restoration.

(ii) The Net Proceeds shall be held by Lender in an interest-bearing Eligible Account and, until disbursed in accordance with the provisions of this Section 6.4(b), shall constitute additional security for the Debt and Other Obligations under the Loan Documents. The Net Proceeds shall be disbursed by Lender to, or as directed by, Borrower from time to time during the course of the Restoration, upon receipt of evidence reasonably satisfactory to Lender that (A) all materials installed and work and labor performed (except to the extent that they are to be paid for out of the requested disbursement) in connection with the Restoration have been paid for in full, and (B) there exist no notices of pendency, stop orders, mechanic's or materialman's liens or notices of intention to file same, or any other liens or encumbrances (other than Permitted Encumbrances) of any nature whatsoever on the Property which have not either been fully bonded to the reasonable satisfaction of Lender and discharged of record or in the

alternative fully insured to the reasonable satisfaction of Lender by the title company issuing the Title Insurance Policy.

(iii) All plans and specifications required in connection with the Restoration shall be subject to prior review and acceptance in all respects by Lender (which review and approval shall not be unreasonably withheld, conditioned or delayed) and by an independent consulting engineer selected by Lender (the “**Casualty Consultant**”). Lender shall have the use of the plans and specifications and all permits, licenses and approvals required or obtained in connection with the Restoration. The identity of the contractors, subcontractors and materialmen engaged in the Restoration, as well as the contracts under which they have been engaged, shall be subject to prior review and approval by Lender and the Casualty Consultant (which review and approval shall not be unreasonably withheld, conditioned or delayed). All out-of-pocket costs and expenses actually incurred by Lender in connection with making the Net Proceeds available for the Restoration including, without limitation, reasonable counsel fees and disbursements and the Casualty Consultant’s reasonable fees, shall be paid by Borrower.

(iv) In no event shall Lender be obligated to make disbursements of the Net Proceeds in excess of an amount equal to the costs actually incurred from time to time for work in place as part of the Restoration, as certified by the Casualty Consultant, minus the Casualty Retainage. The term “**Casualty Retainage**” (a) prior to the date that the restoration has been fifty percent completed, an amount equal to ten percent (10%) of the costs actually incurred for work in place as part of the Restoration, as certified by the Casualty Consultant, and (b) after the Restoration has been fifty percent (50%) completed, as determined by Lender, an amount equal to five percent (5%) of the costs actually incurred for work in place as part of the Restoration. The Casualty Retainage shall in no event, and notwithstanding anything to the contrary set forth above in this Section 6.4(b), be less than the amount actually held back by Borrower, or Operating Lessee, as applicable, from contractors, subcontractors and materialmen engaged in the Restoration. The Casualty Retainage shall not be released until the Casualty Consultant certifies to Lender that the Restoration has been completed in accordance with the provisions of this Section 6.4(b) and that all approvals necessary for the re-occupancy and use of the Property have been obtained from all appropriate governmental and quasi-governmental authorities, and Lender receives evidence reasonably satisfactory to Lender that the costs of the Restoration have been paid in full or will be paid in full out of the Casualty Retainage; provided, however, that Lender will release the portion of the Casualty Retainage being held with respect to any contractor, subcontractor or materialman engaged in the Restoration as of the date upon which the Casualty Consultant certifies to Lender that the contractor, subcontractor or materialman has satisfactorily completed all work and has supplied all materials in accordance with the provisions of the contractor’s, subcontractor’s or materialman’s contract, the contractor, subcontractor or materialman delivers the lien waivers and evidence of payment in full of all sums due to the contractor, subcontractor or materialman as may be reasonably requested by Lender or by the title company issuing the Title Insurance Policy, and Lender receives an endorsement to the Title Insurance Policy insuring the continued priority of the lien of the Mortgage and evidence of payment of any premium payable for such endorsement. If required by Lender, the release of any such portion of the Casualty

Retainage shall be approved by the surety company, if any, which has issued a payment or performance bond with respect to the contractor, subcontractor or materialman.

(v) Lender shall not be obligated to make disbursements of the Net Proceeds more frequently than once every calendar month.

(vi) If at any time the Net Proceeds or the undisbursed balance thereof shall not, in the reasonable opinion of Lender in consultation with the Casualty Consultant, be sufficient to pay in full the balance of the costs which are estimated by the Casualty Consultant to be incurred in connection with the completion of the Restoration, Borrower shall deposit the deficiency (the “**Net Proceeds Deficiency**”) with Lender before any further disbursement of the Net Proceeds shall be made. The Net Proceeds Deficiency deposited with Lender shall be held by Lender and shall be disbursed for costs actually incurred in connection with the Restoration on the same conditions applicable to the disbursement of the Net Proceeds, and until so disbursed pursuant to this Section 6.4(b) shall constitute additional security for the Debt and Other Obligations under the Loan Documents.

(vii) The excess, if any, of the Net Proceeds (and the remaining balance, if any, of the Net Proceeds Deficiency) deposited with Lender after the Casualty Consultant certifies to Lender that the Restoration has been completed in accordance with the provisions of this Section 6.4(b), and the receipt by Lender of evidence reasonably satisfactory to Lender that all costs incurred in connection with the Restoration have been paid in full, shall be deposited in the Cash Management Account to be disbursed in accordance with this Agreement, provided no Event of Default shall have occurred and shall be continuing under the Note, this Agreement or any of the other Loan Documents.

(c) All Net Proceeds not required (i) to be made available for the Restoration or (ii) to be returned to Borrower as excess Net Proceeds pursuant to Section 6.4(b)(vii) hereof may be retained and applied by Lender toward the payment of the Debt (without prepayment penalty or premium) in accordance with Section 2.4.2 hereof, whether or not then due and payable in such order, priority and proportions as Lender in its sole discretion shall deem proper, or, at the reasonable discretion of Lender, the same may be paid, either in whole or in part, to Borrower for such purposes as Lender shall approve, in its reasonable discretion.

(d) In the event of foreclosure of the Mortgage, or other transfer of title to the Property in extinguishment in whole or in part of the Debt all right, title and interest of Borrower in and to the Policies that are not blanket Policies then in force concerning the Property and all proceeds payable thereunder shall thereupon vest in the purchaser at such foreclosure or Lender or other transferee in the event of such other transfer of title.

It shall be an Event of Default under this Agreement if (a) Borrower does not complete the Required Repairs at the Property by the required deadline for each repair as set forth on Schedule II, or (b) Borrower does not satisfy each condition contained in Section 7.1.2 hereof. Upon the occurrence of such an Event of Default, Lender, at its option, may withdraw all Required Repair Funds from the Required Repair Account and Lender may apply such funds either to completion of the Required Repairs at the Property or toward payment of the Debt in such order, proportion and priority as Lender may determine in its sole discretion. Lender’s right to withdraw and apply Required Repair Funds shall be in addition to all other rights and remedies provided to Lender under this Agreement and the other Loan Documents. On the Closing Date, Borrower shall deposit with Lender the amount for the Property set forth on such Schedule II hereto to perform the Required Repairs for the Property. Amounts so deposited with Lender shall be held by Lender in accordance with Section 7.5 hereof. Amounts so deposited shall hereinafter be referred to as Borrower’s “**Required Repair Fund**” and the account in which such amounts are held shall hereinafter be referred to as Borrower’s “**Required Repair Account**”.

7.1.2 Release of Required Repair Funds. Lender shall disburse to Borrower the Required Repair Funds from the Required Repair Account from time to time upon satisfaction by Borrower of each of the following conditions: (a) Borrower shall submit a written request for payment to Lender at least ten (10) Business Days prior to the date on which Borrower requests such payment be made and specifies the Required Repairs to be paid, (b) on the date such request is received by Lender and on the date such payment is to be made, no Event of Default shall exist and remain uncured, (c) Lender shall have received an Officers’ Certificate (i) stating that all Required Repairs to be funded by the requested disbursement have been completed in good and workmanlike manner and in accordance with all applicable federal, state and local laws, rules and regulations, such certificate to be accompanied by a copy of any license, permit or other approval by any Governmental Authority required to commence and/or complete the Required Repairs, (ii) identifying each Person that supplied materials or labor in connection with the Required Repairs to be funded by the requested disbursement, and (iii) stating that each such Person has been paid in full or will be paid in full upon such disbursement, such Officers’ Certificate to be accompanied by lien waivers or other evidence of payment satisfactory to Lender, (d) if such disbursement request exceeds \$100,000.00, or, to the extent that such disbursement, when aggregated with previous disbursements, exceeds \$100,000.00 at Lender’s option, a title search for the Property indicating that the Property is free from all liens, claims and other encumbrances not previously approved by Lender, and (e) Lender shall have received such other evidence as Lender shall reasonably request that the Required Repairs to be funded by the requested disbursement have been completed and are paid for or will be paid upon such disbursement to Borrower. Lender shall not be required to make disbursements from the Required Repair Account with respect to the Property (i) more than once a month and (ii) unless such requested disbursement is in an amount greater than \$25,000.00 (or a lesser amount if the total amount in the Required Repair Account is less than \$25,000.00), in which case only one disbursement of the amount remaining in the account shall be made) and such disbursement shall be made only upon satisfaction of each condition contained in this Section 7.1.2.

Section 7.2 Tax and Insurance Escrow Fund. (a) To the extent not reserved for in a Manager-Held Reserve maintained by Manager as set forth in the applicable Operating Budget

(provided, that to the extent so reserved, Borrower delivers to Lender the invoices and other evidence of payment required under Section 5.1.2 hereof and Section 6.1 hereof), Borrower shall pay to Lender (a) on the Closing Date an initial deposit and (b) on each Payment Date thereafter (i) one-twelfth (1/12) of the Taxes and Other Charges that Lender estimates will be payable during the next ensuing twelve (12) months in order to accumulate with Lender sufficient funds to pay all such Taxes and Other Charges at least thirty (30) days prior to their respective due dates, and (ii) one-twelfth (1/12) of the Insurance Premiums that Lender estimates will be payable for the renewal of the coverage afforded by the Policies upon the expiration thereof in order to accumulate with Lender sufficient funds to pay all such Insurance Premiums at least thirty (30) days prior to the expiration of the Policies (said amounts in (a) and (b) above hereinafter called the “**Tax and Insurance Escrow Fund**”). Lender will apply the Tax and Insurance Escrow Fund to payments of Taxes and Insurance Premiums required to be made by Borrower pursuant to Section 5.1.2 hereof and under the Mortgage. In making any payment relating to the Tax and Insurance Escrow Fund, Lender may do so according to any bill, statement or estimate procured from the appropriate public office (with respect to Taxes) or insurer or agent (with respect to Insurance Premiums), without inquiry into the accuracy of such bill, statement or estimate or into the validity of any tax, assessment, sale, forfeiture, tax lien or title or claim thereof. If the amount of the Tax and Insurance Escrow Fund shall exceed the amounts due for Taxes, Other Charges and Insurance Premiums pursuant to Section 5.1.2 hereof, Lender shall, in its sole discretion, return any excess to Borrower or credit such excess against future payments to be made to the Tax and Insurance Escrow Fund. If at any time Lender reasonably determines that the Tax and Insurance Escrow Fund is not or will not be sufficient to pay Taxes, Other Charges and Insurance Premiums by the dates set forth in (a) and (b) above, Lender shall notify Borrower of such determination and Borrower shall increase its monthly payments to Lender by the amount that Lender estimates is sufficient to make up the deficiency at least thirty (30) days prior to the due date of the Taxes and Other Charges and/or thirty (30) days prior to expiration of the Policies, as the case may be. All interest on the Tax and Insurance Escrow Fund shall be added to and become a part thereof and disbursed in accordance with this Section 7.2.

(c) Notwithstanding anything herein to the contrary, provided that no Event of Default has occurred and is continuing, to the extent that any of the insurance required to be maintained by Borrower or Operating Lessee under this Agreement and/or any other Loan Document is effected under a blanket policy reasonably acceptable to Lender insuring substantially all of the real property owned, directly or indirectly, by Guarantor, Borrower shall not be required to make deposits pursuant to the foregoing with respect to Insurance Premiums.

Section 7.3 Replacements and Replacement Reserve.

7.3.1 Deposits to Replacement Reserve. Borrower shall pay to Lender on each Payment Date after the Closing Date an amount equal to the Replacement Reserve Monthly Deposit to fund the costs of Replacements and PIP; provided, that for so long as Borrower is or is causing Operating Lessee to maintain the Property in accordance with the Management Agreement, the Replacement Reserve Monthly Deposit shall be reduced on a dollar-for-dollar basis by any amounts deposited into a Manager-Held Reserve for Replacements or PIP for the applicable calendar month as set forth in the Capital Renewals Budget delivered pursuant to the Management Agreement, to the extent that Lender shall have received evidence reasonably

satisfactory to Lender that such deposit has been made. Amounts so deposited shall hereinafter be referred to as Borrower's "**Replacement Reserve Fund**" and the account in which such amounts are held shall hereinafter be referred to as Borrower's "**Replacement Reserve Account**". All interest on the Replacement Reserve Fund shall be added to and become a part thereof and disbursed in accordance with Section 7.3.2.

7.3.2 Disbursements from Replacement Reserve Account. (a) Lender shall make disbursements from the Replacement Reserve Account to pay Borrower only for the costs of the Replacements. Lender shall not be obligated to make disbursements from the Replacement Reserve Account (i) until all amounts in the Manager-Held Reserve for Replacements or PIP have been expended in accordance with the Management Agreement or (ii) to reimburse Borrower for the costs of routine maintenance to the Property or replacements of inventory.

(b) Lender shall, upon written request from Borrower and satisfaction of the requirements set forth in this Section 7.3.2, disburse to Borrower amounts from the Replacement Reserve Account necessary to pay for the actual approved costs of Replacements or to reimburse Borrower therefor, upon completion of such Replacements (or, upon partial completion in the case of Replacements made pursuant to Section 7.3.2(e) hereof) as determined by Lender. In no event shall Lender be obligated to disburse funds from the Replacement Reserve Account if an Event of Default exists and is continuing.

(c) Each request for disbursement from the Replacement Reserve Account shall be in a form specified or approved by Lender and shall specify (i) the specific Replacements for which the disbursement is requested, (ii) the quantity and price of each item purchased, if the Replacement includes the purchase or replacement of specific items, (iii) the price of all materials (grouped by type or category) used in any Replacement other than the purchase or replacement of specific items, and (iv) the cost of all contracted labor or other services applicable to each Replacement for which such request for disbursement is made. With each request Borrower shall certify that all Replacements have been made in accordance with all applicable Legal Requirements of any Governmental Authority having jurisdiction over the Property. Each request for disbursement shall include copies of invoices for all items or materials purchased and all contracted labor or services provided and, unless Borrower has requested and Lender has agreed to issue joint checks as described below in connection with a particular Replacement, each request shall include evidence satisfactory to Lender of payment of all such amounts. Except as provided in Section 7.3.2(e) hereof, each request for disbursement from the Replacement Reserve Account shall be made only after completion of the Replacement for which disbursement is requested. Borrower shall provide Lender evidence of completion of the subject Replacement satisfactory to Lender in its reasonable judgment.

(d) Borrower shall (or shall cause Operating Lessee to) pay all invoices in connection with the Replacements with respect to which a disbursement is requested prior to submitting such request for disbursement from the Replacement Reserve Account or, at the request of Borrower, Lender will issue joint checks, payable to Borrower (or Operating Lessee, as applicable) and the contractor, supplier, materialman, mechanic, subcontractor or other party to whom payment is due in connection with a Replacement. In the case of payments made by joint check, Lender may require a conditional waiver of lien from each Person receiving payment

prior to Lender's disbursement from the Replacement Reserve Account. In addition, as a condition to any disbursement, Lender may require Borrower to obtain (or cause Operating Lessee to obtain) lien waivers (which may be conditioned upon payment) from each contractor, supplier, materialman, mechanic or subcontractor who receives payment in an amount equal to or greater than \$100,000.00 for completion of its work or delivery of its materials. Any lien waiver delivered hereunder shall conform to the requirements of applicable law and shall cover all work performed and materials supplied (including equipment and fixtures) for the Property by that contractor, supplier, subcontractor, mechanic or materialman through the date covered by the current reimbursement request (or, in the event that payment to such contractor, supplier, subcontractor, mechanic or materialmen is to be made by a joint check, the release of lien shall be effective through the date covered by the previous release of funds request).

(e) If (i) the cost of a Replacement exceeds \$100,000.00, (ii) the contractor performing such Replacement requires periodic payments pursuant to terms of a written contract, and (iii) (x) Lender has approved in writing in advance such periodic payments and such periodic payments were not expressly set forth in a contract approved by Lender (which approval shall not be unreasonably withheld, conditioned or delayed) or (y) Lender has previously approved a written contract for the which expressly provides for periodic payments, a request for reimbursement from the Replacement Reserve Account may be made after completion of a portion of the work under such contract, provided (A) such contract requires payment upon completion of such portion of the work, (B) the materials for which the request is made are on site at the Property and are properly secured or have been installed in the Property, (C) all other conditions in this Agreement for disbursement have been satisfied, (D) funds remaining in the Replacement Reserve Account are, in Lender's judgment, sufficient to complete such Replacement and other Replacements when required, and (E) if required by Lender, each contractor or subcontractor receiving payments under such contract shall provide a waiver of lien with respect to amounts which have been paid to that contractor or subcontractor.

(f) Borrower shall not make a request for disbursement from the Replacement Reserve Account more frequently than once in any calendar month and (except in connection with the final disbursement) the total cost of all Replacements in any request shall not be less than \$25,000.00.

7.3.3 Performance of Replacements. (a) Borrower shall (or shall cause Operating Lessee to) make Replacements when required in order to keep the Property in condition and repair consistent with other comparable properties in the same market segment in the metropolitan area in which the Property is located, and to keep the Property or any portion thereof from deteriorating. Borrower shall (or shall cause Operating Lessee to) complete all Replacements in a good and workmanlike manner as soon as practicable following the commencement of making each such Replacement.

(b) Lender reserves the right, at its option, to approve all contracts or work orders with materialmen, mechanics, suppliers, subcontractors, contractors or other parties providing labor or materials in connection with the Replacements. Upon Lender's request, Borrower shall (or shall cause Operating Lessee to) assign any contract or subcontract to Lender.

(c) In the event Lender determines in its reasonable discretion that any Replacement is not being performed in a workmanlike or timely manner or that any Replacement has not been completed in a workmanlike or timely manner, Lender shall have the option to withhold disbursement for such unsatisfactory Replacement and to proceed under existing contracts or to contract with third parties to complete such Replacement and to apply the Replacement Reserve Fund toward the labor and materials necessary to complete such Replacement, without providing any prior notice to Borrower and to exercise any and all other remedies available to Lender upon an Event of Default hereunder.

(d) In order to facilitate Lender's completion or making of such Replacements pursuant to Section 7.3.3(c) above, Borrower grants (and shall cause Operating Lessee to grant) from and after an Event of Default Lender the right to enter onto the Property and perform any and all work and labor necessary to complete or make such Replacements and/or employ watchmen to protect the Property from damage. All sums so expended by Lender, to the extent not from the Replacement Reserve Fund, shall be deemed to have been advanced under the Loan to Borrower and secured by the Mortgage. For this purpose Borrower constitutes and appoints (and shall cause Operating Lessee to constitute and appoint) Lender its true and lawful attorney-in-fact with full power of substitution to complete or undertake such Replacements in the name of Borrower, or Operating Lessee, as applicable. Such power of attorney shall be deemed to be a power coupled with an interest and cannot be revoked. Borrower empowers (and shall cause Operating Lessee to empower) said attorney-in-fact as follows: (i) to use any funds in the Replacement Reserve Account for the purpose of making or completing such Replacements; (ii) to make such additions, changes and corrections to such Replacements as shall be necessary or desirable to complete such Replacements; (iii) to employ such contractors, subcontractors, agents, architects and inspectors as shall be required for such purposes; (iv) to pay, settle or compromise all existing bills and claims which are or may become Liens against the Property, or as may be reasonably necessary or desirable for the completion of such Replacements, or for clearance of title; (v) to execute all applications and certificates in the name of Borrower which may be required by any of the contract documents; (vi) to prosecute and defend all actions or proceedings in connection with the Property or the rehabilitation and repair of the Property; and (vii) to do any and every act which Borrower might do in its own behalf to fulfill the terms of this Agreement.

(e) Nothing in this Section 7.3.3 shall: (i) make Lender responsible for making or completing any Replacements; (ii) require Lender to expend funds in addition to the Replacement Reserve Fund to make or complete any Replacement; (iii) obligate Lender to proceed with any Replacements; or (iv) obligate Lender to demand from Borrower additional sums to make or complete any Replacement.

(f) Borrower shall (or shall cause Operating Lessee to) permit, upon prior written notice, Lender and Lender's agents and representatives (including, without limitation, Lender's engineer, architect, or inspector) or third parties making Replacements pursuant to this Section 7.3.3 to enter onto the Property during normal business hours (subject to the rights of Tenants under their Leases) to inspect the progress of any Replacements and all materials being used in connection therewith, to examine all plans and shop drawings relating to such Replacements which are or may be kept at the Property, and to complete any Replacements made pursuant to this Section 7.3.3. Borrower shall cause all contractors and subcontractors to

cooperate with Lender or Lender's representatives or such other persons described above in connection with inspections described in this Section 7.3.3(f) or the completion of Replacements pursuant to this Section 7.3.3.

(g) Lender may require an inspection of the Property at Borrower's expense prior to making a monthly disbursement from the Replacement Reserve Account in order to verify completion of the Replacements for which reimbursement is sought. Lender may require that such inspection be conducted by an appropriate independent qualified professional selected by Lender and/or may require a copy of a certificate of completion by an independent qualified professional reasonably acceptable to Lender prior to the disbursement of any amounts from the Replacement Reserve Account. Borrower shall pay the out-of-pocket expense of the inspection as required hereunder, whether such inspection is conducted by Lender or by an independent qualified professional.

(h) The Replacements and all materials, equipment, fixtures, or any other item comprising a part of any Replacement shall be constructed, installed or completed, as applicable, free and clear of all mechanic's, materialmen's or other liens (except for those Liens existing on the date of this Agreement which have been approved in writing by Lender).

(i) Before each disbursement from the Replacement Reserve Account, Lender may require Borrower to provide Lender with a search of title to the Property effective to the date of the disbursement, which search shows that no mechanic's or materialmen's liens or other liens of any nature have been placed against the Property since the date of recordation of the related Mortgage and that title to the Property is free and clear of all Liens (other than the lien of the related Mortgage and any other Liens previously approved in writing by Lender, if any).

(j) All Replacements shall comply with all applicable Legal Requirements of all Governmental Authorities having jurisdiction over the Property and applicable insurance requirements including, without limitation, applicable building codes, special use permits, environmental regulations, and requirements of insurance underwriters.

(k) In addition to any insurance required under the Loan Documents, Borrower shall provide or cause to be provided workmen's compensation insurance, builder's risk, and public liability insurance and other insurance to the extent required under applicable law in connection with a particular Replacement. All such policies shall be in form and amount reasonably satisfactory to Lender. All such policies which can be endorsed with standard mortgagee clauses making loss payable to Lender or its assigns shall be so endorsed. Certified copies of such policies shall be delivered to Lender.

7.3.4 Failure to Make Replacements. (a) It shall be an Event of Default under this Agreement if Borrower or Operating Lessee fails to materially comply with any provision of this Section 7.3 and Borrower does not commence and diligently pursue a cure within thirty (30) days after notice from Lender. Upon the occurrence and continuance of such an Event of Default, Lender may use the Replacement Reserve Fund (or any portion thereof) for any purpose, including but not limited to completion of the Replacements as provided in Section 7.3.3, or for any other repair or replacement to the Property or toward payment of the Debt in such order, proportion and priority as Lender may determine in its sole discretion.

Lender's right to withdraw and apply the Replacement Reserve Fund shall be in addition to all other rights and remedies provided to Lender under this Agreement and the other Loan Documents.

(b) Nothing in this Agreement shall obligate Lender to apply all or any portion of the Replacement Reserve Fund on account of an Event of Default to payment of the Debt or in any specific order or priority.

7.3.5 **Balance in the Replacement Reserve Account.** The insufficiency of any balance in the Replacement Reserve Account shall not relieve Borrower from its obligation to fulfill all preservation and maintenance covenants in the Loan Documents.

Section 7.4 **Amortization Reserve Fund.**

7.4.1 **Deposits to Amortization Reserve Fund.** On each Payment Date, Borrower shall deposit with Lender an amount equal to twenty-five percent (25%) of Excess Cash Flow, which shall be held as additional security for the Loan to be applied in accordance with Section 7.4.2 and amounts so held shall be hereinafter referred to as the "**Amortization Reserve Fund**" and the account to which such amounts are held shall hereinafter be referred to as the "**Amortization Reserve Account**"). Upon written request from Borrower, Lender shall disburse funds necessary to pay (i) any Operating Expenses pursuant to the Approved Annual Budget, only to the extent there are insufficient funds to pay the same in the Excess Cash Flow Reserve Account or in the Cash Management Account, on such Payment Date or (ii) Debt Service, only to the extent there are insufficient funds to pay the same in the Cash Management Account on such Payment Date. To the extent any such disbursements are made from the Amortization Reserve Fund, Borrower shall deposit the aggregate amount of such disbursements back into the Amortization Reserve Account prior to the next Amortization Payment Date, and such amounts shall be held as part of the Amortization Reserve Fund and such amounts shall be aggregated with the balance of the Aggregate Reserve Funds to pay the Amortization Payment required pursuant to Section 7.4.2 below.

7.4.2 **Disbursements from Amortization Reserve Fund.** On each Amortization Payment Date, Lender shall apply all amounts in the Amortization Reserve Account to pay the Amortization Payment in accordance with Section 2.3.1(b) hereof. For the avoidance of doubt, provided that no Event of Default has occurred and is continuing and no Cash Sweep Period is then in effect, if the amount in the Amortization Reserve Account exceeds the amount required for the applicable Amortization Payment on the respective Amortization Payment Date, such excess shall be returned to Borrower.

Section 7.5 **Excess Cash Flow Reserve Fund.**

7.5.1 **Deposits to Excess Cash Flow Reserve Fund.** During a Cash Sweep Period, Borrower shall deposit with Lender all Excess Cash Flow (subject to deposits required to be made into the Amortization Reserve Account in accordance with Section 7.4 hereof) in the Cash Management Account, which shall be held by Lender as additional security for the Loan and amounts so held shall be hereinafter referred to as the "**Excess Cash Flow Reserve Fund**" and the account to which such amounts are held shall hereinafter be referred to as the "**Excess**

Cash Flow Reserve Account”, provided, however, that during a Cash Sweep Period caused by (i) a Bankruptcy Action of Manager, (ii) a Hilton Trigger Event or (iii) a Debt Yield Trigger Event, Lender shall disburse funds to Borrower to pay for Operating Expenses pursuant to the Approved Annual Budget, including, without limitation, actual, out-of-pocket expenses for audits and appraisals, asset management fees in an amount not to exceed \$125,000, reasonable legal fees, travel expenses, expenses required to keep entities in good standing, management fees payable under the Management Agreement and Insurance Premiums.

7.5.2 Release of Excess Cash Flow Reserve Funds. Upon the occurrence of a Cash Sweep Event Cure, all Excess Cash Flow Reserve Funds shall be deposited into the Cash Management Account to be disbursed in accordance with the Cash Management Agreement. Any Excess Cash Flow Reserve Funds remaining after the Debt has been paid in full shall be returned (A) if any portion of the Mezzanine Loan Debt (other than any contingent liabilities under the Mezzanine Loan Documents) is then outstanding, to Mezzanine Lender or (B) if no portion of the Mezzanine Loan Debt (other than any contingent liabilities under the Mezzanine Loan Documents) is then outstanding, to Borrower.

Section 7.6 Intentionally Omitted.

Section 7.7 Reserve Funds, Generally. (a) Borrower grants to Lender a first-priority perfected security interest in each of the Reserve Funds and any and all monies now or hereafter deposited in each Reserve Fund as additional security for payment of the Debt. Until expended or applied in accordance herewith, the Reserve Funds shall constitute additional security for the Debt.

(b) Upon the occurrence and continuance of an Event of Default, Lender may, in addition to any and all other rights and remedies available to Lender, apply any sums then present in any or all of the Reserve Funds to the payment of the Debt in any order in its sole discretion.

(c) The Reserve Funds shall not constitute trust funds and may be commingled with other monies held by Lender. The Reserve Funds shall be held in an Eligible Account in Permitted Investments as directed by Lender or Lender’s Servicer. Borrower shall be responsible for payment of any federal, state or local income or other tax applicable to the interest earned on the Reserve Funds credited or paid to Borrower.

(d) Borrower shall not, without obtaining the prior written consent of Lender, further pledge, assign or grant any security interest in any Reserve Fund or the monies deposited therein or permit any lien or encumbrance to attach thereto, or any levy to be made thereon, or any UCC-1 Financing Statements, except those naming Lender as the secured party, to be filed with respect thereto.

(e) Lender and Servicer shall not be liable for any loss sustained on the investment of any funds constituting the Reserve Funds. Borrower shall indemnify Lender and Servicer and hold Lender and Servicer harmless from and against any and all actions, suits, claims, demands, liabilities, losses, damages, obligations and costs and expenses (including litigation costs and reasonable attorneys’ fees and expenses) arising from or in any way connected with the Reserve

Funds or the performance of the obligations for which the Reserve Funds were established. Borrower shall assign to Lender all rights and claims Borrower may have against all persons or entities supplying labor, materials or other services which are to be paid from or secured by the Reserve Funds; provided, however, that Lender may not pursue any such right or claim unless an Event of Default has occurred and remains uncured.

(f) The required monthly deposits into the Reserve Funds and the Monthly Debt Service Payment Amount, shall be added together and shall be paid as an aggregate sum by Borrower to Lender.

(g) Any amount remaining in the Reserve Funds after the Debt has been paid in full shall be returned (A) if any portion of the Mezzanine Loan Debt (other than any contingent liabilities under the Mezzanine Loan Documents) is then outstanding, to Mezzanine Lender or (B) if no portion of the Mezzanine Loan Debt (other than any contingent liabilities under the Mezzanine Loan Documents) is then outstanding, to Borrower.

ARTICLE VIII– DEFAULTS

Section 8.1 **Event of Default.** (a) Each of the following events shall constitute an event of default hereunder (an “**Event of Default**”):

- (i) if any portion of the Debt is not paid when due;
- (ii) if any of the Taxes or Other Charges are not paid when the same are due and payable, provided that it shall not be an Event of Default if sufficient Tax Funds are on deposit with Agent to pay Taxes and Other Charges when due and no Event of Default then exists;
- (iii) subject to Borrower’s right to contest in accordance with the terms and provisions hereof, if the Policies are not kept in full force and effect, or if certified copies of the Policies are not delivered to Lender upon request within the applicable time periods as provided herein, provided, that Borrower shall have the right to cure such failure to deliver the certified copies of the Policies to Lender within five (5) business Days of receipt of notice from Lender;
- (iv) if Borrower or Operating Lessee Transfers or otherwise encumbers any portion of the Property without Lender’s prior written consent in violation of the provisions of this Agreement or Article 6 of the Mortgage;
- (v) if any representation or warranty made by Borrower or Operating Lessee herein or in any other Loan Document, or in any report, certificate, financial statement or other instrument, agreement or document furnished to Lender shall have been false or misleading in any material respect as of the date the representation or warranty was made;
- (vi) if Borrower or Operating Lessee shall make an assignment for the benefit of creditors;

(vii) if a receiver, liquidator or trustee shall be appointed for Borrower, Operating Lessee or any other guarantor under any guarantee issued in connection with the Loan or if Borrower or Operating Lessee shall be adjudicated a bankrupt or insolvent, or if any petition for bankruptcy, reorganization or arrangement pursuant to federal bankruptcy law, or any similar federal or state law, shall be filed by or against, consented to, or acquiesced in by, Borrower or Operating Lessee, or if any proceeding for the dissolution or liquidation of Borrower or Operating Lessee shall be instituted; provided, however, if such appointment, adjudication, petition or proceeding was involuntary and not consented to by Borrower or Operating Lessee upon the same not being discharged, stayed or dismissed within ninety (90) days;

(viii) if Borrower or Operating Lessee attempts to assign its rights under this Agreement or any of the other Loan Documents or any interest herein or therein in contravention of the Loan Documents;

(ix) if Guarantor or any guarantor or indemnitor under any guaranty or indemnity issued in connection with the Loan shall make an assignment for the benefit of creditors or if a receiver, liquidator or trustee shall be appointed for Guarantor or any guarantor or indemnitor under any guarantee or indemnity issued in connection with the Loan or if Guarantor or such other guarantor or indemnitor shall be adjudicated a bankrupt or insolvent, or if any petition for bankruptcy, reorganization or arrangement pursuant to federal bankruptcy law, or any similar federal or state law, shall be filed by or against, consented to, or acquiesced in by, Guarantor or such other guarantor or indemnitor, or if any proceeding for the dissolution or liquidation of Guarantor or such other guarantor or indemnitor shall be instituted; provided, however, if such appointment, adjudication, petition or proceeding was involuntary and not consented to by Guarantor or such other guarantor or indemnitor, upon the same not being discharged, stayed or dismissed within ninety (90) days; provided, further, however, it shall be at Lender's option to determine whether any of the foregoing shall be an Event of Default;

(x) if Borrower breaches any representation or warranty as of the date made or any covenant contained in Section 4.1.30 (provided, however, that any such breach shall not constitute an Event of Default (A) if such breach is *de minimis*, inadvertent and non-recurring, (B) if such breach is curable, if Borrower shall promptly cure such breach within five (5) Business Days after notice of such breach and (C) upon the written request of Lender, if Borrower promptly delivers to Lender an Additional Insolvency Opinion or a modification of the Insolvency Opinion, as applicable, to the effect that such breach shall not in any way impair, negate or amend the opinions rendered in the Insolvency Opinion, which opinion or modification and the counsel delivering such opinion and modification shall be acceptable to Lender in its reasonable discretion), or any of its respective negative covenants contained in Section 5.2 hereof;

(xi) with respect to any term, covenant or provision set forth herein which specifically contains a notice requirement or grace period, if Borrower shall be in default under such term, covenant or condition after the giving of such notice or the expiration of such grace period;

(xii) if any of the assumptions contained in the Insolvency Opinion delivered to Lender in connection with the Loan, or in any Additional Insolvency Opinion delivered subsequent to the closing of the Loan, is or shall become untrue in any material respect;

(xiii) if a material default by Borrower or Operating Lessee has occurred and continues beyond any applicable cure period under the Management Agreement (or any Replacement Management Agreement) and if such default permits the Manager thereunder to terminate or cancel the Management Agreement (or any Replacement Management Agreement);

(xiv) if Borrower shall continue to be in Default under any of the terms, covenants or conditions of Section 9.1 hereof, or fails to cooperate with Lender in connection with a Securitization pursuant to the provisions of Section 9.1 hereof, for five (5) Business Days after notice to Borrower from Lender;

(xv) Borrower shall fail to obtain and/or maintain the Interest Rate Cap Agreement or Replacement Interest Rate Cap Agreement, as applicable, as required pursuant to Section 2.2.7 hereof;

(xvi) if Borrower or Operating Lessee, as applicable, shall continue to be in Default under any of the other terms, covenants or conditions of this Agreement not specified in subsections (i) to (xv) above, for ten (10) days after notice to Borrower or Operating Lessee, as applicable, from Lender, in the case of any Default which can be cured by the payment of a sum of money, or for thirty (30) days after notice from Lender in the case of any other Default; provided, however, that if such non-monetary Default is susceptible of cure but cannot reasonably be cured within such thirty (30) day period and provided further that Borrower or Operating Lessee, as applicable, shall have commenced to cure such Default within such thirty (30) day period and thereafter diligently and expeditiously proceeds to cure the same, such thirty (30) day period shall be extended for such time as is reasonably necessary for Borrower or Operating Lessee in the exercise of due diligence to cure such Default, such additional period not to exceed ninety (90) days;

(xvii) if an ERISA Event shall have occurred that, when taken together with all other such ERISA Events, would reasonably be expected to result in a material adverse effect;

(xviii) if there shall be material default under any of the other Loan Documents beyond any applicable cure periods contained in such documents, whether as to Borrower, Operating Lessee, Guarantor or the Property;

(xix) if Guarantor breaches any covenant in Section 5.2(ii), Section 5.3 or Article VI of the Guaranty;

(xx) if a material default by Borrower or Operating Lessee has occurred and continues beyond any applicable cure period under the Operating Lease or the REA;

(xxi) if Borrower or Operating Lessee instructs Hilton Manager to hold back any amounts in violation of Section 5.2.1(c) hereof; or

(xxii) if Borrower fails to maintain the Class L Deduction, provided that, in the event the Class L Deduction expires and Borrower uses good faith efforts to obtain a renewal of the same, such expiration shall not constitute an Event of Default hereunder.

(b) Upon the occurrence and continuance of an Event of Default (other than an Event of Default described in clauses (vi), (vii) or (viii) above) and at any time thereafter, in addition to any other rights or remedies available to it pursuant to this Agreement and the other Loan Documents or at law or in equity, Lender may take such action, without notice or demand, that Lender deems advisable to protect and enforce its rights against Borrower, Operating Lessee and the Property, including, without limitation, declaring the Debt to be immediately due and payable, and Lender may enforce or avail itself of any or all rights or remedies provided in the Loan Documents against Borrower, Operating Lessee and any or all of the Property, including, without limitation, all rights or remedies available at law or in equity; and upon the continuance of any Event of Default described in clauses (vi), (vii) or (viii) above, the Debt and Other Obligations of Borrower hereunder and under the other Loan Documents shall immediately and automatically become due and payable, without notice or demand, and Borrower and Operating Lessee hereby expressly waive any such notice or demand, anything contained herein or in any other Loan Document to the contrary notwithstanding.

Section 8.2 Remedies. (a) Upon the occurrence and continuance of an Event of Default, all or any one or more of the rights, powers, privileges and other remedies available to Lender against Borrower under this Agreement or any of the other Loan Documents executed and delivered by, or applicable to, Borrower or Operating Lessee, as applicable, or at law or in equity may be exercised by Lender at any time and from time to time, whether or not all or any of the Debt shall be declared due and payable, and whether or not Lender shall have commenced any foreclosure proceeding or other action for the enforcement of its rights and remedies under any of the Loan Documents with respect to all or any part of the Property. Any such actions taken by Lender shall be cumulative and concurrent and may be pursued independently, singularly, successively, together or otherwise, at such time and in such order as Lender may determine in its sole discretion, to the fullest extent permitted by law, without impairing or otherwise affecting the other rights and remedies of Lender permitted by law, equity or contract or as set forth herein or in the other Loan Documents. Without limiting the generality of the foregoing, Borrower agrees that if an Event of Default is continuing (i) Lender is not subject to any “one action” or “election of remedies” law or rule, and (ii) all liens and other rights, remedies or privileges provided to Lender shall remain in full force and effect until Lender has exhausted all of its remedies against the Property and the Mortgage has been foreclosed, sold and/or otherwise realized upon in satisfaction of the Debt or the Debt has been paid in full.

(b) With respect to Borrower, Operating Lessee and the Property, nothing contained herein or in any other Loan Document shall be construed as requiring Lender to resort to the Property for the satisfaction of any of the Debt in any preference or priority, and Lender may seek satisfaction out of the Property, or any part thereof, in its absolute discretion in respect of the Debt. In addition, Lender shall have the right from time to time to partially foreclose the Mortgage in any manner and for any amounts secured by the Mortgage then due and payable as determined by Lender in its sole discretion including, without limitation, the following circumstances: (i) in the event Borrower defaults beyond any applicable grace period in the payment of one or more scheduled payments of principal and interest, Lender may foreclose the

Mortgage to recover such delinquent payments or (ii) in the event Lender elects to accelerate less than the entire outstanding principal balance of the Loan, Lender may foreclose the Mortgage to recover so much of the principal balance of the Loan as Lender may accelerate and such other sums secured by the Mortgage as Lender may elect. Notwithstanding one or more partial foreclosures, the Property shall remain subject to the Mortgage to secure payment of sums secured by the Mortgage and not previously recovered.

(c) Lender shall have the right from time to time to sever the Note and the other Loan Documents into one or more separate notes, mortgages and other security documents (the “**Severed Loan Documents**”) in such denominations as Lender shall determine in its sole discretion for purposes of evidencing and enforcing its rights and remedies provided hereunder. In furtherance of such right, Borrower shall execute and deliver to Lender from time to time, promptly after the request of Lender, a severance agreement and such other documents as Lender shall request in order to effect the severance described in the preceding sentence, all in form and substance reasonably satisfactory to Lender. Borrower hereby absolutely and irrevocably appoints (and shall cause Operating Lessee to appoint) Lender as its true and lawful attorney, coupled with an interest, in its name and stead to make and execute all documents necessary or desirable to effect the aforesaid severance, Borrower and Operating Lessee ratifying all that its said attorney shall do by virtue thereof; provided, however, Lender shall not make or execute any such documents under such power until five (5) Business Days after notice has been given to Borrower by Lender of Lender’s intent to exercise its rights under such power. Borrower shall be obligated to pay any costs or expenses incurred in connection with the preparation, execution, recording or filing of the Severed Loan Documents and the Severed Loan Documents shall not contain any representations, warranties or covenants not contained in the Loan Documents and any such representations and warranties contained in the Severed Loan Documents will be given by Borrower only as of the Closing Date.

(d) As used in this Section 8.2, a “foreclosure” shall include, without limitation, any sale by power of sale.

Section 8.3 Remedies Cumulative; Waivers. The rights, powers and remedies of Lender under this Agreement shall be cumulative and not exclusive of any other right, power or remedy which Lender may have against Borrower or Operating Lessee pursuant to this Agreement or the other Loan Documents, or existing at law or in equity or otherwise. Lender’s rights, powers and remedies may be pursued singularly, concurrently or otherwise, at such time and in such order as Lender may determine in Lender’s sole discretion. No delay or omission to exercise any remedy, right or power accruing upon an Event of Default shall impair any such remedy, right or power or shall be construed as a waiver thereof, but any such remedy, right or power may be exercised from time to time and as often as may be deemed expedient. A waiver of one Default or Event of Default with respect to Borrower shall not be construed to be a waiver of any subsequent Default or Event of Default by Borrower or to impair any remedy, right or power consequent thereon.

ARTICLE IX – SPECIAL PROVISIONS

Section 9.1 Securitization.

9.1.1 Sale of Notes and Securitization. (a) Borrower acknowledges and agrees that Lender may syndicate all or any portion of the Loan or the Loan Documents, sell all or any portion of the Loan and the Loan Documents, or issue one or more participations therein, or consummate one or more private or public securitizations of rated single- or multi-class securities (the “**Securities**”) secured by or evidencing ownership interests in all or any portion of the Loan and the Loan Documents or a pool of assets that include the Loan and the Loan Documents (such syndications, sales, participations and/or securitizations, collectively, a “**Securitization**”).

(b) At the request of Lender, and to the extent not already required to be provided by or on behalf of Borrower under this Agreement, Borrower shall use reasonable efforts to provide information not in the possession of Lender or which may be reasonably required by Lender or take other actions reasonably required by Lender, in each case in order to satisfy the market standards to which Lender customarily adheres or which may be reasonably required by prospective investors and/or the Rating Agencies in connection with any such Securitization. Lender shall have the right to provide to prospective investors and the Rating Agencies any information in its possession, including, without limitation, financial statements relating to Borrower, Operating Lessee, Guarantor, if any, the Property and any Tenant of the Improvements. Borrower acknowledges that certain information regarding the Loan and the parties thereto and the Property may be included in a private placement memorandum, prospectus or other disclosure documents. Borrower agrees that each of Borrower, Operating Lessee, Guarantor and their respective officers and representatives, shall, at Lender’s reasonable request, at its sole cost and expense, cooperate with Lender’s efforts to arrange for a Securitization in accordance with the market standards to which Lender customarily adheres and/or which may be required by prospective investors and/or the Rating Agencies in connection with any such Securitization (including, without limitation, the placement of an administrative agent in connection with a syndication of all or any portion of the Loan and the Loan Documents). Borrower and Guarantor agree to review, at Lender’s request in connection with the Securitization, the Disclosure Documents as such Disclosure Documents relate to Borrower, Operating Lessee, Guarantor, the Property and the Loan, including without limitation, the sections entitled “Risk Factors,” “Special Considerations,” “Description of the Mortgage,” “Description of the Mortgage Loan and Mortgaged Property,” “The Manager,” “The Borrower,” “Operating Lessee,” and “Certain Legal Aspects of the Mortgage Loan” (or sections similarly titled or covering similar subject matters), and shall confirm that the factual statements and representations contained in such sections and such other information in the Disclosure Documents (to the extent such information relates to, or is based on, or includes any information regarding the Property, Borrower, Operating Lessee, Guarantor, Manager and/or the Loan) do not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made, in the light of the circumstances under which they were made, not misleading. Borrower shall review and provide to Lender in writing any revisions to any Disclosure Documents within three (3) Business Days following Borrower’s initial receipt thereof and within one (1) Business Day with respect to interim drafts thereof.

(c) Borrower agrees to make upon Lender's written request, without limitation, all structural or other changes to the Loan (including, without limitation, (i) the placement of an administrative agent in connection with a syndication of all or any portion of the Loan and the Loan Documents, and (ii) delivery of one or more new component notes to replace the original note or modify the original note to reflect multiple components of the Loan and such new notes or modified note may have different interest rates and amortization schedules), modifications to any documents evidencing or securing the Loan, creation of one or more mezzanine loans (including amending Borrower's organizational structure to provide for one or more mezzanine borrowers), delivery of opinions of counsel acceptable to the Approved Rating Agencies or potential investors and addressing such matters as the Approved Rating Agencies or potential investors may require; provided, however, that in creating such new notes or modified notes or mezzanine notes Borrower shall not be required to modify (i) the initial weighted average interest rate payable under the Note, provided further that no "rate creep" shall occur (except as such interest rate may increase in connection with a Casualty or Condemnation or following an Event of Default) (ii) the stated maturity of the Note, (iii) the aggregate amortization of principal of the Note, (iv) any other material economic term of the Loan, or (v) decrease the time periods during which Borrower is permitted to perform its obligations under the Loan Documents. In connection with the foregoing, Borrower covenants and agrees to modify the Cash Management Agreement and the Interest Rate Cap Agreements to reflect the newly created components and/or mezzanine loans.

(d) Borrower agrees that each participant pursuant to Section 9.1.1(a) shall be entitled to the benefits of Section 2.2.3(f) and (g) and Section 2.7 (subject to the requirements and limitations therein, including the requirements under Section 2.7(e) (it being understood that the documentation required under Section 2.7(e) shall be delivered to the participating Lender)) to the same extent as if it were a Lender and had acquired its interest by assignment; provided that such participant shall not be entitled to receive any greater payment under Section 2.2.3(f) or Section 2.7, with respect to any participation, than its participating Lender would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from a change in a requirement of law or in the interpretation or application thereof, or compliance by such participant or the participating Lender with any request or directive (whether or not having the force of law) issued from any central bank or other Governmental Authority, in each case after the participant acquired the applicable participation.

(e) JPMorgan Chase Bank, National Association, or an agent appointed by it, in either case acting solely for this purpose as an agent of the Borrower, shall maintain a register for the recordation of the names and addresses of each Lender, and the principal amounts (and stated interest) of the Loan owing to each Lender pursuant to the terms hereof from time to time (the "**Register**"). The entries in the Register shall be conclusive absent manifest error, and the Borrower and each Lender shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement. The Register shall be available for inspection by the Borrower and any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(f) Each Lender that sells a participation pursuant to Section 9.1.1(a) shall, acting solely for this purpose as an agent of the Borrower, maintain a register on which it enters the name and address of each participant and the principal amounts (and stated interest) of each

participant's interest in the Loan or other Obligations under the Loan Documents (the "**Participant Register**"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any participant or any information relating to a participant's interest in any Obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such Obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary.

9.1.2 **Securitization Costs.** All reasonable third party costs and expenses incurred by Borrower and Guarantors in connection with Borrower's complying with requests made under this Section 9.1 shall be paid by Borrower.

9.1.3 **Loan Components.** Borrower covenants and agrees that in connection with any Securitization of the Loan, upon Lender's request Borrower shall deliver one or more new component notes to replace the original note or modify the original note to reflect multiple components of the Loan or allocate spread or principal among or adjust the application of payments among any existing or additional components in Lender's sole discretion or create one or more mezzanine loans to one or more newly formed special purpose, bankruptcy remote entities (including amending Borrower's organizational structure to provide for one or more mezzanine borrowers) (each a "Resizing Event"). Lender agrees that such new or modified notes or mezzanine notes shall immediately after the Resizing Event have the same initial weighted average spread of the original note or notes as immediately prior to such Resizing Event (except such changes which are a result of a repayment or prepayment of principal). In connection with any Resizing Event, Borrower covenants and agrees to modify the Cash Management Agreement to reflect the newly created or modified components and/or mezzanine loans.

9.1.4 **Loan Components.** (a) Borrower covenants and agrees that prior to a Securitization of the Loan, upon Lender's request Borrower shall (i) deliver one or more new notes to replace the original note or modify the original note and other loan documents, as reasonably required, to reflect additional components of the Loan or allocate spread or principal among or adjust the application of payments among any existing or additional components in Lender's sole discretion, provided, (A) such new or modified note shall at all times have the same weighted average spread of the original Note and shall have the same stated maturity date of the original Note, provided, that the interest rate payable under the Note may change or increase in connection with a prepayment of the Loan in accordance with Section 2.4 hereof or following an Event of Default and (B) no amortization of principal of the Loan will be required and (ii) modify the Cash Management Agreement to reflect such new components.

(b) Notwithstanding the provisions of Section 9.1 to the contrary, Borrower covenants and agrees that prior to a Securitization, Lender shall have the right to create one or more additional mezzanine loans (each, a "**New Mezzanine Loan**"), to establish different interest rates and to reallocate the principal balances (including, without limitation, the reallocation of the Release Amounts on a pro rata basis) of each of the Loan, the Mezzanine Loan and any New Mezzanine Loan(s) amongst each other and to require the payment of the Loan, the Mezzanine

Loan and any New Mezzanine Loan(s) in such order of priority as may be designated by Lender; provided, that in no event shall the weighted average spread of the Loan, the Mezzanine Loan and any New Mezzanine Loan(s) immediately following any such reallocation or modification change from the weighted average spread for all such loans in effect immediately preceding such reallocation, modification or creation of any New Mezzanine Loan(s) (except for changes to the weighted average spread due to involuntary prepayments or prepayment or repayments of principal). Borrower shall execute and deliver such documents as shall reasonably be required by Lender as promptly as possible under the circumstances in connection with this Section 9.1.4, all in form and substance reasonably satisfactory to Borrower, Lender and the Rating Agencies, including, without limitation, in connection with the creation of any New Mezzanine Loan, a promissory note and loan documents necessary to evidence such New Mezzanine Loan, and Borrower shall execute such amendments to the Loan Documents and the Mezzanine Loan Documents as are necessary in connection with the creation of such New Mezzanine Loan, provided, that such amendments or other documents shall have no economic effect, other than non-material changes on any of Borrower's obligations, rights or remedies hereunder. In addition, Borrower shall either use the existing special purpose entities (subject to satisfying rating agency criteria for recycled entities) or cause the formation of one or more newly formed special purpose, bankruptcy remote entities as reasonably required by Lender in order to serve as the borrower under any New Mezzanine Loan (each, a "**New Mezzanine Borrower**") and the applicable organizational documents of Borrower and Mezzanine Borrower shall be amended and modified as necessary or required in the formation of any New Mezzanine Borrower. Further, in connection with any New Mezzanine Loan, Borrower shall deliver to Lender (i) opinions of legal counsel with respect to due execution, authority and enforceability of the New Mezzanine Loan and the Loan Documents and Mezzanine Loan Documents, as amended, in substantially the same form as the opinion delivered at Closing and (ii) an Additional Non-Consolidation Opinion for the Loan and the Mezzanine Loan and a substantive non-consolidation opinion with respect to any New Mezzanine Loan, each as reasonably acceptable to Lender, prospective investors and/or the Rating Agencies.

Section 9.2 Securitization Indemnification. (a) Borrower understands that certain of the Provided Information may be included in Disclosure Documents in connection with the Securitization and may also be included in filings with the Securities and Exchange Commission pursuant to the Securities Act of 1933, as amended (the "**Securities Act**"), or the Securities Exchange Act of 1934, as amended (the "**Exchange Act**"), or provided or made available to investors or prospective investors in the Securities, the Rating Agencies, and service providers relating to the Securitization. In the event that the Disclosure Document is required to be revised prior to the sale of all Securities, Borrower will cooperate with the holder of the Note in updating the Disclosure Document by providing all current information necessary to keep the Disclosure Document accurate and complete in all material respects.

(b) The Indemnifying Persons agree to provide, in connection with the Securitization, an indemnification agreement (A) certifying that (i) the Indemnifying Persons have carefully examined the Disclosure Documents, including without limitation, the sections entitled "Risk Factors," "Special Considerations," "Description of the Mortgages," "Description of the Mortgage Loans and Mortgaged Properties," "The Manager," "The Borrower" and "Certain Legal Aspects of the Mortgage Loan," and (ii) such sections and such other information in the Disclosure Documents (to the extent such information relates to or includes any Provided

Information or any information regarding the Properties, Borrower, Manager and/or the Loan) (collectively with the Provided Information, the “**Covered Disclosure Information**”) do not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made, in the light of the circumstances under which they were made, not misleading, (B) jointly and severally indemnifying Lender, any Affiliate of Lender that has filed any registration statement relating to the Securitization or has acted as the sponsor or depositor in connection with the Securitization, any Affiliate of Lender that acts as an underwriter, placement agent or initial purchaser of Securities issued in the Securitization, any other co-underwriters, co-placement agents or co-initial purchasers of Securities issued in the Securitization, and each of their respective officers, directors, partners, employees, representatives, agents and Affiliates and each Person or entity who Controls any such Person within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act (collectively, the “**Indemnified Persons**”), for any losses, claims, damages, liabilities, costs or expenses (including without limitation legal fees and expenses for enforcement of these obligations (collectively, the “**Liabilities**”) to which any such Indemnified Person is subject insofar as the Liabilities arise out of or are based upon any untrue statement or alleged untrue statement of any material fact contained in the Covered Disclosure Information or arise out of or are based upon the omission or alleged omission to state in the Covered Disclosure Information a material fact required to be stated therein or necessary in order to make the statements in the Covered Disclosure Information, in light of the circumstances under which they were made, not misleading and (C) agreeing to reimburse each Indemnified Person for any reasonable third party legal or other out-of-pocket expenses actually incurred by such Indemnified Person, as they are actually incurred, in connection with investigating or defending the Liabilities. This indemnity agreement will be in addition to any liability which Borrower may otherwise have. Moreover, the indemnification and reimbursement obligations provided for in clauses (B) and (C) above shall be effective, valid and binding obligations of the Indemnifying Persons, whether or not an indemnification agreement described in clause (A) above is provided.

(c) In connection with Exchange Act Filings, the Indemnifying Persons jointly and severally agree to indemnify (i) the Indemnified Persons for Liabilities to which any such Indemnified Person may become subject insofar as the Liabilities arise out of or are based upon any untrue statement or alleged untrue statement of any material fact in the Covered Disclosure Information, or the omission or alleged omission to state in the Covered Disclosure Information a material fact required to be stated therein or necessary in order to make the statements in the Covered Disclosure Information, in light of the circumstances under which they were made, not misleading and (ii) reimburse each Indemnified Person for any legal or other expenses incurred by such Indemnified Persons, as they are incurred, in connection with defending or investigating the Liabilities.

(d) Promptly after receipt by an Indemnified Person of notice of any claim or the commencement of any action, the Indemnified Person shall, if a claim in respect thereof is to be made against any Indemnifying Person, notify such Indemnifying Person in writing of the claim or the commencement of that action; provided, however, that the failure to notify such Indemnifying Person shall not relieve it from any liability which it may have under the indemnification provisions of this Section 9.2 except to the extent that it has been materially prejudiced by such failure and, provided further that the failure to notify such Indemnifying Person shall not relieve it from any liability which it may have to an Indemnified Person

otherwise than under the provisions of this Section 9.2. If any such claim or action shall be brought against an Indemnified Person, and it shall notify any Indemnifying Person thereof, such Indemnifying Person shall be entitled to participate therein and, to the extent that it wishes, assume the defense thereof with counsel reasonably satisfactory to the Indemnified Person. After notice from any Indemnifying Person to the Indemnified Person of its election to assume the defense of such claim or action, such Indemnifying Person shall not be liable to the Indemnified Person for any legal or other expenses subsequently incurred by the Indemnified Person in connection with the defense thereof except as provided in the following sentence; provided, however, if the defendants in any such action include both an Indemnifying Person, on the one hand, and one or more Indemnified Persons on the other hand, and an Indemnified Person shall have reasonably concluded that there are any legal defenses available to it and/or other Indemnified Persons that are different or in addition to those available to the Indemnifying Person, the Indemnified Person or Persons shall have the right to select separate counsel to assert such legal defenses and to otherwise participate in the defense of such action on behalf of such Indemnified Person or Persons. The Indemnified Person shall instruct its counsel to maintain reasonably detailed billing records for fees and disbursements for which such Indemnified Person is seeking reimbursement hereunder and shall submit copies of such detailed billing records to substantiate that such counsel's fees and disbursements are solely related to the defense of a claim for which the Indemnifying Person is required hereunder to indemnify such Indemnified Person. No Indemnifying Person shall be liable for the expenses of more than one (1) such separate counsel unless such Indemnified Person shall have reasonably concluded that there may be legal defenses available to it that are different from or additional to those available to another Indemnified Person.

(e) Without the prior written consent of Lender (which consent shall not be unreasonably withheld or delayed), no Indemnifying Person shall settle or compromise or consent to the entry of any judgment in any pending or threatened claim, action, suit or proceeding in respect of which indemnification may be sought hereunder (whether or not any Indemnified Person is an actual or potential party to such claim, action, suit or proceeding) unless the Indemnifying Person shall have given Lender reasonable prior written notice thereof and shall have obtained an unconditional release of each Indemnified Person hereunder from all liability arising out of such claim, action, suit or proceedings. As long as an Indemnifying Person has complied with its obligations to defend and indemnify hereunder, such Indemnifying Person shall not be liable for any settlement made by any Indemnified Person without the consent of such Indemnifying Person (which consent shall not be unreasonably withheld or delayed).

(f) The Indemnifying Persons agree that if any indemnification or reimbursement sought pursuant to this Section 9.2 is finally judicially determined to be unavailable for any reason or is insufficient to hold any Indemnified Person harmless (with respect only to the Liabilities that are the subject of this Section 9.2), then the Indemnifying Persons, on the one hand, and such Indemnified Person, on the other hand, shall contribute to the Liabilities for which such indemnification or reimbursement is held unavailable or is insufficient: (x) in such proportion as is appropriate to reflect the relative benefits to the Indemnifying Persons, on the one hand, and such Indemnified Person, on the other hand, from the transactions to which such indemnification or reimbursement relates; or (y) if the allocation provided by clause (x) above is not permitted by applicable law, in such proportion as is appropriate to reflect not only the

relative benefits referred to in clause (x) but also the relative faults of the Indemnifying Persons, on the one hand, and all Indemnified Persons, on the other hand, as well as any other equitable considerations. Notwithstanding the provisions of this Section 9.2, (A) no party found liable for a fraudulent misrepresentation shall be entitled to contribution from any other party who is not also found liable for such fraudulent misrepresentation, and (B) the Indemnifying Persons agree that in no event shall the amount to be contributed by the Indemnified Persons collectively pursuant to this paragraph exceed the amount of the fees actually received by the Indemnified Persons in connection with the closing of the Loan.

(g) The Indemnifying Persons agree that the indemnification, contribution and reimbursement obligations set forth in this Section 9.2 shall apply whether or not any Indemnified Person is a formal party to any lawsuits, claims or other proceedings. The Indemnifying Persons further agree that the Indemnified Persons are intended third party beneficiaries under this Section 9.2.

(h) The liabilities and obligations of the Indemnified Persons and the Indemnifying Persons under this Section 9.2 shall survive the termination of this Agreement and the satisfaction and discharge of the Debt.

(i) Notwithstanding anything to the contrary contained herein, Borrower shall have no obligation to act as depositor with respect to the Loan or an issuer or registrant with respect to the Securities issued in any Securitization.

Section 9.3 Exculpation.

(a) Subject to the qualifications below, Lender shall not enforce the liability and obligation of Borrower or Operating Lessee to perform and observe the obligations contained in the Note, this Agreement, the Mortgage or the other Loan Documents by any action or proceeding wherein a money judgment shall be sought against Borrower or Operating Lessee, except that Lender may bring a foreclosure action, an action for specific performance or any other appropriate action or proceeding to enable Lender to enforce and realize upon its interest under the Note, this Agreement, the Mortgage and the other Loan Documents, or in the Property, the Rents, or any other collateral given to Lender pursuant to the Loan Documents; provided, however, that, except as specifically provided herein, any judgment in any such action or proceeding shall be enforceable against Borrower or Operating Lessee only to the extent of Borrower's or Operating Lessee's interest in the Property, in the Rents and in any other collateral given to Lender, and Lender, by accepting the Note, this Agreement, the Mortgage and the other Loan Documents, agrees that it shall not sue for, seek or demand any deficiency judgment against Borrower or Operating Lessee in any such action or proceeding under or by reason of or under or in connection with the Note, this Agreement, the Mortgage or the other Loan Documents. The provisions of this Section 9.3 shall not, however, (i) constitute a waiver, release or impairment of any obligation evidenced or secured by any of the Loan Documents; (ii) impair the right of Lender to name Borrower or Operating Lessee as a party defendant in any action or suit for foreclosure and sale under the Mortgage; (iii) affect the validity or enforceability of or any guaranty made in connection with the Loan or any of the rights and remedies of Lender thereunder; (iv) impair the right of Lender to obtain the appointment of a receiver; (v) impair the enforcement of any assignment of leases contained in the Mortgage; (vi) constitute a prohibition

against Lender to seek a deficiency judgment against Borrower in order to fully realize the security granted by the Mortgage or to commence any other appropriate action or proceeding in order for Lender to exercise its remedies against the Property.

(b) Nothing contained herein shall in any manner or way release, affect or impair any right of Lender to enforce the liability and obligation of Borrower, by money judgment or otherwise, to the extent of any loss, damage, cost, expense, liability, claim or other obligation to the extent actually incurred by Lender (including reasonable attorneys' fees and costs reasonably incurred) arising out of or incurred in connection with the following:

(i) fraud or intentional misrepresentation by Borrower, Operating Lessee or Guarantor in connection with the Loan;

(ii) the gross negligence or willful misconduct of Borrower, Operating Lessee or Guarantor;

(iii) material physical waste of the Property caused by intentional acts or intentional omissions of Borrower or Operating Lessee;

(iv) the removal or disposal of any portion of the Property after an Event of Default;

(v) the misapplication or conversion by Borrower, Operating Lessee or Guarantor of (A) any Insurance Proceeds paid by reason of any loss, damage or destruction to the Property, (B) any Awards received in connection with a Condemnation of all or a portion of the Property, (C) any Rents following an Event of Default, (D) any Rents paid more than one month in advance or (E) any funds required to be deposited into the Indemnitor Security Account;

(vi) failure to pay charges for labor or materials or other charges or judgments that can create Liens on any portion of the Property, subject to Borrower's right to contest such charges pursuant to Section 5.1.1 hereof.

(vii) any security deposits, advance deposits or any other deposits collected with respect to the Property which are not delivered to Lender upon a foreclosure of the Property or action in lieu thereof, except to the extent any such security deposits were applied in accordance with the terms and conditions of any of the Leases prior to the occurrence of the Event of Default that gave rise to such foreclosure or action in lieu thereof;

(viii) failure to maintain the Class L Deduction, except in the event the Class L Deduction expired and Borrower was unable to obtain a renewal of the same after using good faith efforts to do so;

(ix) Borrower's failure to obtain and/or maintain the Interest Rate Cap Agreement or Replacement Interest Rate Cap Agreement, as applicable, as required pursuant to Section 2.2.7 hereof;

(x) any amendment, modification or termination of the Management Agreement in violation of this Agreement or the Assignment of Management Agreement, without Lender's consent, including, without limitation, if there shall be no Management Agreement in full force and effect;

(xi) any amounts payable to Manager in connection with a termination of the Management Agreement prior to the Renewal Incentive Expiration Date (as such term is defined in the Management Agreement), including, without limitation, any amount withdrawn from the Manager Accounts by Hilton Manager to satisfy Borrower's obligations under the Management Agreement with respect to the Renewal Incentive pursuant to the Management Agreement; provided, that for the purposes of this Section 9.3(b)(xi), Losses shall be deemed to be equal to then applicable Renewal Incentive (as defined in the Management Agreement);

(xii) any breach of Section 5.2(ii), Section 5.3 or Article VI of the Guaranty;

(xiii) any breach of Borrower's obligation to deliver financial statements as required pursuant to Section 5.1.11 hereof;

(xiv) any breach of Section 5.2.1(c) hereof.

(c) Notwithstanding anything to the contrary in this Agreement, the Note or any of the Loan Documents, (A) Lender shall not be deemed to have waived any right which Lender may have under Section 506(a), 506(b), 1111(b) or any other provisions of the Bankruptcy Code to file a claim for the full amount of the Debt secured by the Mortgage or to require that all collateral shall continue to secure all of the Debt owing to Lender in accordance with the Loan Documents, and (B) the Debt shall be fully recourse to Borrower (i) in the event of: (a) Borrower or Operating Lessee filing a voluntary petition under the Bankruptcy Code or any other Federal or state bankruptcy or insolvency law; (b) the filing of an involuntary petition against Borrower or Operating Lessee under the Bankruptcy Code or any other Federal or state bankruptcy or insolvency law in which Borrower, Operating Lessee or Guarantor colludes with, or otherwise voluntarily assists such Person, or solicits or causes to be solicited petitioning creditors for any involuntary petition against Borrower or Operating Lessee from any Person; (c) Borrower or Operating Lessee filing an answer consenting to or otherwise acquiescing in or joining in any involuntary petition filed against it, by any other Person under the Bankruptcy Code or any other Federal or state bankruptcy or insolvency law (other than a petition filed by or on behalf of Lender in connection with Lender's enforcement of its remedies hereunder); (d) Borrower or Operating Lessee consenting to or acquiescing in or joining in an application for the appointment of a custodian, receiver, trustee, or examiner for Borrower, Operating Lessee or any portion of the Property (other than an application by or on behalf of Lender in connection with Lender enforcing its remedies); (e) Borrower or Operating Lessee making an assignment for the benefit of creditors, or admitting, in writing or in any legal proceeding, its insolvency or inability to pay its debts as they become due (unless failure to make such admission would be a violation of law) to any Person other than Lender or Servicer in connection with the appointment of a special servicer; (ii) if the first full monthly payment of principal and interest on the Note is not paid when due; (iii) if Borrower or Operating Lessee fails to maintain its status as a Special Purpose Entity or comply with any representation, warranty or covenant set forth in Section

4.1.30 hereof (except to the extent resulting from the insufficiency of Rents or Borrower failing to remain solvent or maintain adequate capital) each as required by, and in accordance with, the terms and provisions of this Agreement or the Mortgage and such failure is cited as a factor in the substantive consolidation of Borrower or Operating Lessee into the bankruptcy estate of another Person; (iv) if Borrower or Operating Lessee fails to obtain Lender's prior written consent to any Indebtedness or any voluntary Lien (other than a mechanic's or materialman's lien) encumbering the Property; or (v) if Borrower or Operating Lessee fails to obtain Lender's prior written consent to any Transfer as required by this Agreement or the Mortgage.

Section 9.4 Matters Concerning Manager. If (a) Manager shall become subject to a Bankruptcy Action or (b) a default occurs under the Management Agreement by Manager beyond applicable notice and/or cure periods, Borrower shall, at the request of Lender, terminate the Management Agreement and replace the Manager with a Qualified Manager pursuant to a Replacement Management Agreement, it being understood and agreed that the management fee for such Qualified Manager shall not exceed then prevailing market rates.

Section 9.5 Servicer. At the option of Lender, the Loan may be serviced by a master servicer, primary servicer, special servicer and/or trustee (any such master servicer, primary servicer, special servicer, and trustee, together with its agents, nominees or designees, are collectively referred to as "**Servicer**") selected by Lender and Lender may delegate all or any portion of its responsibilities under this Agreement and the other Loan Documents to Servicer pursuant to a pooling and servicing agreement, servicing agreement, special servicing agreement or other agreement providing for the servicing of one or more mortgage loans (collectively, the "**Servicing Agreement**") between Lender and Servicer. Borrower shall be responsible for any reasonable set up fees or any other initial costs relating to or arising under the Servicing Agreement, but Borrower shall not be responsible for payment of the regular monthly master servicing fee or trustee fee due to Servicer under the Servicing Agreement or any fees or expenses required to be borne by, and not reimbursable to, Servicer. Notwithstanding the foregoing, Borrower shall promptly reimburse Lender on demand for (a) interest payable on advances made by Servicer with respect to delinquent debt service payments (to the extent charges are due pursuant to Section 2.3.4 and interest at the Default Rate actually paid by Borrower in respect of such payments are insufficient to pay the same) or expenses paid by Servicer or trustee in respect of the protection and preservation of the Properties (including, without limitation, payments of Taxes and Insurance Premiums) and (b) all costs and expenses, liquidation fees, workout fees, special servicing fees, operating advisor fees or any other similar fees payable by Lender to Servicer: (i) as a result of an Event of Default under the Loan or the Loan becoming specially serviced, an enforcement, refinancing or restructuring of the credit arrangements provided under this Agreement in the nature of a "work-out" of the Loan Documents or of any insolvency or bankruptcy proceeding; (ii) any liquidation fees, workout fees, special servicing fees, operating advisor fees or any other similar fees that are due and payable to Servicer under the Servicing Agreement or the trustee, which fees may be due and payable under the Servicing Agreement on a periodic or continuing basis; (iii) the costs of all property inspections and/or appraisals of the Properties (or any updates to any existing inspection or appraisal) that Servicer or the trustee may be required to obtain (other than the cost of regular annual inspections required to be borne by Servicer under the Servicing Agreement); or (iv) any special requests made by Borrower or Guarantor during the term of the Loan including, without limitation, in connection with a prepayment, assumption or modification of the Loan.

Section 10.8 Headings. The Article and/or Section headings and the Table of Contents in this Agreement are included herein for convenience of reference only and shall not constitute a part of this Agreement for any other purpose.

Section 10.9 Severability. Wherever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement shall be prohibited by or invalid under applicable law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Agreement.

Section 10.10 Preferences. Lender shall have the continuing and exclusive right to apply or reverse and reapply any and all payments by Borrower to any portion of the obligations of Borrower hereunder. To the extent Borrower makes a payment or payments to Lender, which payment or proceeds or any part thereof are subsequently invalidated, declared to be fraudulent

or preferential, set aside or required to be repaid to a trustee, receiver or any other party under any bankruptcy law, state or federal law, common law or equitable cause, then, to the extent of such payment or proceeds received, the obligations hereunder or part thereof intended to be satisfied shall be revived and continue in full force and effect, as if such payment or proceeds had not been received by Lender.

Section 10.11 Waiver of Notice. Borrower shall not be entitled to any notices of any nature whatsoever from Lender except with respect to matters for which this Agreement or the other Loan Documents specifically and expressly provide for the giving of notice by Lender to Borrower and except with respect to matters for which Borrower is not, pursuant to applicable Legal Requirements, permitted to waive the giving of notice. Borrower hereby expressly waives the right to receive any notice from Lender with respect to any matter for which this Agreement or the other Loan Documents do not specifically and expressly provide for the giving of notice by Lender to Borrower.

Section 10.12 Remedies of Borrower. In the event that a claim or adjudication is made that Lender or its agents have acted unreasonably or unreasonably delayed acting in any case where by law or under this Agreement or the other Loan Documents, Lender or such agent, as the case may be, has an obligation to act reasonably or promptly, Borrower agrees that neither Lender nor its agents shall be liable for any monetary damages, and Borrower's sole remedies shall be limited to commencing an action seeking injunctive relief or declaratory judgment. The parties hereto agree that any action or proceeding to determine whether Lender has acted reasonably shall be determined by an action seeking declaratory judgment.

Section 10.13 Expenses; Indemnity. (a) Borrower covenants and agrees to pay or, if Borrower fails to pay, to reimburse, Lender upon receipt of written notice from Lender for all costs and expenses (including reasonable attorneys' fees and expenses) actually incurred by Lender in connection with (i) the preparation, negotiation, execution and delivery of this Agreement and the other Loan Documents and the consummation of the transactions contemplated hereby and thereby and all the costs of furnishing all opinions by counsel for Borrower and Operating Lessee (including without limitation any opinions requested by Lender as to any legal matters arising under this Agreement or the other Loan Documents with respect to the Property); (ii) Borrower's and Operating Lessee's ongoing performance of and compliance with Borrower's respective agreements and covenants contained in this Agreement and the other Loan Documents on its part to be performed or complied with after the Closing Date, including, without limitation, confirming compliance with environmental and insurance requirements; (iii) Lender's ongoing performance and compliance with all agreements and conditions contained in this Agreement and the other Loan Documents on its part to be performed or complied with after the Closing Date; (iv) the negotiation, preparation, execution, delivery and administration of any consents, amendments, waivers or other modifications to this Agreement and the other Loan Documents and any other documents or matters requested by Borrower or Operating Lessee; (v) securing Borrower's compliance with any requests made pursuant to the provisions of this Agreement; (vi) the filing and recording fees and expenses, title insurance and fees and expenses of counsel for providing to Lender all required legal opinions, and other similar expenses incurred in creating and perfecting the Lien in favor of Lender pursuant to this Agreement and the other Loan Documents; (vii) enforcing or preserving any rights, in response to third party claims or the prosecuting or defending of any action or proceeding or other

litigation, in each case against, under or affecting Borrower, Operating Lessee, this Agreement, the other Loan Documents, the Property, or any other security given for the Loan; and (viii) enforcing any obligations of or collecting any payments due from Borrower under this Agreement, the other Loan Documents or with respect to the Property (including any fees and expenses reasonably incurred by or payable to Servicer or a trustee in connection with the transfer of the Loan to a special servicer upon Servicer's anticipation of a Default or Event of Default, liquidation fees, workout fees, special servicing fees, operating advisor fees or any other similar fees and interest payable on advances made by the Servicer with respect to delinquent debt service payments or expenses of curing Borrower's or Operating Lessee's defaults under the Loan Documents), or in connection with any refinancing or restructuring of the credit arrangements provided under this Agreement in the nature of a "work-out" or of any insolvency or bankruptcy proceedings or any other amounts required under Section 9.5; provided, however, that Borrower shall not be liable for the payment of any such costs and expenses to the extent the same arise by reason of the gross negligence, illegal acts, fraud or willful misconduct of Lender. Any cost and expenses due and payable to Lender may be paid from any amounts in the Lockbox Account or Cash Management Account, as applicable.

(b) Borrower shall indemnify, defend and hold harmless the Indemnified Parties from and against any and all other liabilities, obligations, losses, damages, penalties, actions, judgments, suits, claims, costs, expenses and disbursements of any kind or nature whatsoever (including, without limitation, the reasonable fees and disbursements of counsel in connection with any investigative, administrative or judicial proceeding commenced or threatened, whether or not an Indemnified Party shall be designated a party thereto), that may be imposed on, incurred by, or asserted against any Indemnified Party in any manner relating to or arising out of (i) any breach by Borrower of its obligations under, or any material misrepresentation by Borrower contained in, this Agreement or the other Loan Documents, or (ii) the use or intended use of the proceeds of the Loan (collectively, the "**Indemnified Liabilities**"); provided, however, that Borrower shall not have any obligation to any Indemnified Party hereunder to the extent that such Indemnified Liabilities arise from the gross negligence, illegal acts, fraud or willful misconduct of such Indemnified Party. To the extent that the undertaking to indemnify, defend and hold harmless set forth in the preceding sentence may be unenforceable because it violates any law or public policy, Borrower shall pay the maximum portion that it is permitted to pay and satisfy under applicable law to the payment and satisfaction of all Indemnified Liabilities incurred by the Indemnified Parties.

(c) Borrower covenants and agrees to pay for or, if Borrower fails to pay, to reimburse Lender for, any fees and expenses incurred by any Rating Agency in connection with any Rating Agency review of the Loan, the Loan Documents or any transaction contemplated thereby or any consent, approval, waiver or confirmation obtained from such Rating Agency pursuant to the terms and conditions of this Agreement or any other Loan Document and Lender shall be entitled to require payment of such fees and expenses as a condition precedent to the obtaining of any such consent, approval, waiver or confirmation.

(d) Borrower shall jointly and severally indemnify the Lender and each of its respective officers, directors, partners, employees, representatives, agents and Affiliates against any liabilities to which Lender, each of its respective officers, directors, partners, employees, representatives, agents and Affiliates, may become subject in connection with any

indemnification to the Rating Agencies in connection with issuing, monitoring or maintaining the Securities insofar as the liabilities arise out of or are based upon any untrue statement of any material fact in any information provided by or on behalf of the Borrowers to the Rating Agencies (the “**Covered Rating Agency Information**”) or arise out of or are based upon the omission to state a material fact in the Covered Rating Agency Information required to be stated therein or necessary in order to make the statements in the Covered Rating Agency Information, in light of the circumstances under which they were made, not misleading.

Section 10.14 Schedules Incorporated. The Schedules annexed hereto are hereby incorporated herein as a part of this Agreement with the same effect as if set forth in the body hereof.

Section 10.15 Offsets, Counterclaims and Defenses. Any assignee of Lender’s interest in and to this Agreement, the Note and the other Loan Documents shall take the same free and clear of all offsets, counterclaims or defenses which are unrelated to such documents which Borrower may otherwise have against any assignor of such documents, and no such unrelated counterclaim or defense shall be interposed or asserted by Borrower in any action or proceeding brought by any such assignee upon such documents and any such right to interpose or assert any such unrelated offset, counterclaim or defense in any such action or proceeding is hereby expressly waived by Borrower.

Section 10.16 No Joint Venture or Partnership; No Third Party; Beneficiaries.
 (a) Borrower and Lender intend that the relationships created hereunder and under the other Loan Documents be solely that of borrower and lender. Nothing herein or therein is intended to create a joint venture, partnership, tenancy-in-common, or joint tenancy relationship between Borrower and Lender nor to grant Lender any interest in the Property other than that of mortgagee, beneficiary or lender.

(b) This Agreement and the other Loan Documents are solely for the benefit of Lender and Borrower and nothing contained in this Agreement or the other Loan Documents shall be deemed to confer upon anyone other than Lender and Borrower any right to insist upon or to enforce the performance or observance of any of the obligations contained herein or therein. All conditions to the obligations of Lender to make the Loan hereunder are imposed solely and exclusively for the benefit of Lender and no other Person shall have standing to require satisfaction of such conditions in accordance with their terms or be entitled to assume that Lender will refuse to make the Loan in the absence of strict compliance with any or all thereof and no other Person shall under any circumstances be deemed to be a beneficiary of such conditions, any or all of which may be freely waived in whole or in part by Lender if, in Lender’s sole discretion, Lender deems it advisable or desirable to do so.

Section 10.17 Publicity. All news releases, publicity or advertising by Borrower or its Affiliates through any media intended to reach the general public which refers to the Loan Documents or the financing evidenced by the Loan Documents, to Lender, JPMorgan Chase Bank, National Association or any of their Affiliates shall be subject to the prior written approval of Lender and JPMorgan Chase Bank, National Association in their sole discretion. All news releases, publicity or advertising by Lender or its Affiliates through any media intended to reach the general public which refers to the Loan Documents or the financing evidenced by the Loan

Documents, to Borrower or any of its Affiliates shall be subject to the prior approval of Borrower, provided, that, any news releases, publicity or advertising required by applicable law or in any judicial or administrative proceeding, shall not require the prior written approval of Borrower. In no event shall this Section 10.17 be deemed to limit Lender's rights to provide information to third parties in connection with a Securitization or otherwise limit its disclosure in Disclosure Documents or otherwise related to such Securitization.

Section 10.18 Waiver of Marshalling of Assets. To the fullest extent permitted by law, Borrower, for itself and its successors and assigns, waives all rights to a marshalling of the assets of Borrower, Borrower's partners and others with interests in Borrower, and of the Property, and agrees not to assert any right under any laws pertaining to the marshalling of assets, the sale in inverse order of alienation, homestead exemption, the administration of estates of decedents, or any other matters whatsoever to defeat, reduce or affect the right of Lender under the Loan Documents to a sale of the Property for the collection of the Debt without any prior or different resort for collection or of the right of Lender to the payment of the Debt out of the net proceeds of the Property in preference to every other claimant whatsoever.

Section 10.19 Waiver of Counterclaim. Borrower hereby waives the right to assert a counterclaim, other than a compulsory counterclaim, in any action or proceeding brought against it by Lender or its agents.

Section 10.20 Conflict; Construction of Documents; Reliance. In the event of any conflict between the provisions of this Agreement and any of the other Loan Documents, the provisions of this Agreement shall control. The parties hereto acknowledge that they were represented by competent counsel in connection with the negotiation, drafting and execution of the Loan Documents and that such Loan Documents shall not be subject to the principle of construing their meaning against the party which drafted same. Borrower acknowledges that, with respect to the Loan, Borrower shall rely solely on its own judgment and advisors in entering into the Loan without relying in any manner on any statements, representations or recommendations of Lender or any parent, subsidiary or Affiliate of Lender. Lender shall not be subject to any limitation whatsoever in the exercise of any rights or remedies available to it under any of the Loan Documents or any other agreements or instruments which govern the Loan by virtue of the ownership by it or any parent, subsidiary or Affiliate of Lender of any equity interest any of them may acquire in Borrower, and Borrower hereby irrevocably waives the right to raise any defense or take any action on the basis of the foregoing with respect to Lender's exercise of any such rights or remedies. Borrower acknowledges that Lender engages in the business of real estate financings and other real estate transactions and investments which may be viewed as adverse to or competitive with the business of Borrower or its Affiliates.

Section 10.21 Brokers and Financial Advisors. Borrower hereby represents that it has dealt with no financial advisors, brokers, underwriters, placement agents, agents or finders in connection with the transactions contemplated by this Agreement other than Jones Lang LaSalle ("**Broker**"). Borrower hereby agrees to indemnify, defend and hold Lender harmless from and against any and all claims, liabilities, costs and expenses of any kind (including Lender's attorneys' fees and expenses) in any way relating to or arising from a claim by any Person that such Person acted on behalf of Borrower or Lender in connection with the transactions

contemplated herein. The provisions of this Section 10.21 shall survive the expiration and termination of this Agreement and the payment of the Debt.

Section 10.22 Prior Agreements. This Agreement and the other Loan Documents contain the entire agreement of the parties hereto and thereto in respect of the transactions contemplated hereby and thereby, and all prior agreements among or between such parties, whether oral or written, between Borrower and Lender are superseded by the terms of this Agreement and the other Loan Documents.

Section 10.23 Joint and Several Liability. If Borrower consists of more than one (1) Person the obligations and liabilities of each Person shall be joint and several.

Section 10.24 Certain Additional Rights of Lender (VCOC). Notwithstanding anything to the contrary contained in this Agreement, Lender shall have:

(a) the right to routinely consult with and advise Borrower's management regarding the significant business activities and business and financial developments of Borrower; provided, however, that such consultations shall not include discussions of environmental compliance programs or disposal of hazardous substances. Consultation meetings should occur on a regular basis (no less frequently than quarterly) with Lender having the right to call special meetings at any reasonable times and upon reasonable advance notice;

(b) the right, in accordance with the terms of this Agreement, to examine the books and records of Borrower at any reasonable times upon reasonable notice;

(c) the right, in accordance with the terms of this Agreement, including, without limitation, Section 5.1.11 hereof, to receive monthly, quarterly and year-end financial reports, including balance sheets, statements of income, shareholder's equity and cash flow, a management report and schedules of outstanding indebtedness; and

(d) the right, without restricting any other rights of Lender under this Agreement (including any similar right), to approve any acquisition by Borrower of any other significant property (other than personal property required for the day to day operation of the Property).

The rights described above in this Section 10.24 may be exercised by any entity which owns and controls, directly or indirectly, substantially all of the interests in Lender.

Section 10.25 Acknowledgement and Consent to Bail-In of EEA Financial Institutions. (a) Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among the respective parties thereto, each party hereto acknowledges that any liability of any EEA Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(i) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an EEA Financial Institution; and

(ii) the effects of any Bail-in Action on any such liability, including, if applicable:

(A) a reduction in full or in part or cancellation of any such liability;

(B) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of any EEA Resolution Authority.

(b) As used in this Section 10.25 the following terms have the following meanings ascribed thereto: (i) “**Bail-In Action**” means the exercise of any Write-Down and Conversion Powers by the applicable EEA Resolution Authority in respect of any liability of an EEA Financial Institution; (ii) “**Bail-In Legislation**” means, with respect to any EEA Member Country implementing Article 55 of Directive 2014/59/EU of the European Parliament and of the Council of the European Union, the implementing law for such EEA Member Country from time to time which is described in the EU Bail-In Legislation Schedule; (iii) “**EEA Financial Institution**” means (x) any credit institution or investment firm established in any EEA Member Country which is subject to the supervision of an EEA Resolution Authority; (y) any entity established in an EEA Member Country which is a parent of an institution described in clause (x) of this definition, or (x) any financial institution established in an EEA Member Country which is a subsidiary of an institution described in clauses (x) or (y) of this definition and is subject to consolidated supervision with its parent; (iv) “**EEA Member Country**” means any of the member states of the European Union, Iceland, Liechtenstein, and Norway; (v) “**EEA Resolution Authority**” means any public administrative authority or any person entrusted with public administrative authority of any EEA Member Country (including any delegee) having responsibility for the resolution of any EEA Financial Institution; (vi) “**EU Bail-In Legislation Schedule**” means the EU Bail-In Legislation Schedule published by the Loan Market Association (or any successor person), as in effect from time to time; and (vii) “**Write Down and Conversion Powers**” means, with respect to any EEA Resolution Authority, the write-down and conversion powers of such EEA Resolution Authority from time to time under the Bail-In Legislation for the applicable EEA Member Country, which write-down and conversion powers are described in the EU Bail-In Legislation Schedule.

1.0 INTRODUCTION

This Operations and Maintenance (O&M) Plan addresses activities that may involve or disturb asbestos-containing materials (ACM) and lead-based paint (LBP) at 17 East Monroe Street, located in Chicago, Illinois. See Section 4.0 for examples of ACM. An O&M Plan minimizes the potential for facility/maintenance personnel, tenants, contractors/vendors, and the general public to be exposed to ACM, airborne asbestos fibers, and LBP. Asbestos is a naturally occurring mineral silicate whose fiber-like particles are known to cause mesothelioma, asbestosis, and lung cancer. Exposure to lead particulates through ingestion or inhalation may cause elevated blood lead levels, attention deficit disorder, and damage the reproductive system. Through the development and implementation of a procedural manual for company associates outlining the necessary procedures for emergency situations, associate training, periodic inspections, testing and record keeping, an O&M Plan can meet the needs of the facility in the management of ACM and LBP.

An implemented O&M Plan can provide a level of assurance that prudent measures are being taken to minimize the potential exposure to ACM and LBP. Furthermore, this plan may serve as evidence that the owner is aware of the liabilities and outlines the steps that will be actively taken to minimize exposure potential.

It is important to note that this O&M Plan is based on the original date of construction and/or provided information indicating the presence or potential presence of ACM and LBP. Furthermore, Partner has not performed either a limited or comprehensive asbestos survey of the subject property; therefore, Partner recommends that all previously untested suspect ACM, surface applied materials, and thermal insulation are presumed to contain asbestos and all paints presumed to be lead-based paints until analytical results indicate otherwise.

2.0 OCCUPANT NOTIFICATION

It is the obligation of the property owner to notify appropriate persons as required by law, to take necessary steps to minimize the potential for asbestos and lead based paint exposure.

It is the obligation of the property owner that only trained and qualified individuals are authorized to disturb or remove any ACM and/or LBP.

It is the obligation of the property owner that maintenance/custodial staff receive appropriate O&M training, as deemed necessary by the owner.

Action for Owners

Building owners, in addition to informing building workers as required by the Occupational Safety and Health Administration (OSHA), should also inform occupants and tenants about the location and physical condition of the ACM/LBP, and stress the need to avoid disturbing the material.

Building owners should inform occupants about the presence of ACM/LBP by distributing written notices, posting signs or labels in a central location where affected occupants can see them, and holding awareness or information sessions. Some states and localities have "right-to-know" laws that may require that all occupants, workers, and visitors in buildings with ACM/LBP be informed that these materials are present. OSHA also requires warning signs to be displayed at each regulated area so that an employee may read the signs and take necessary protective steps before entering the area.

Building owners should inform new employees about the presence of ACM/LBP before they begin work. OSHA requires this notification for employees who will perform housekeeping activities where ACM/LBP may be disturbed. Additional steps may be needed for illiterate or non-English speaking workers and other occupants who may encounter language difficulties. For example, owners should consider providing information sessions in languages other than English where a significant number of workers, occupants, or visitors do not speak English. Furthermore OSHA regulations require that employers ensure employees can comprehend the warning signs posted. Owners may wish to consider developing a warning label system for illiterate workers showing them pictures about potential hazards of disturbing ACM/LBP and showing them where ACM/LBP is located. Translations of the warning labels should be provided by the owner for non-English speaking personnel.

O&M workers should receive the training necessary for them to perform their tasks safely.

Information for Occupants (workers, tenants and others)

Occupants should be notified for two reasons: (1) There may be a potential hazard in their vicinity; and (2) informed persons are less likely to disturb the material and cause fibers to be released into the air. All employees and tenants or tenant representatives likely to disturb ACM/LBP should be included in the

notification program on a continuing basis. The specific information given to types of building occupants will vary. For example, because building maintenance and service workers carry out certain tasks that office workers or tenants do not perform, they should receive additional information. Most important, operations and maintenance workers should receive the training they need to perform their tasks safely. For information on training requirements, see the OSHA regulations at [29 CFR § 1910.1001\(j\)\(7\) \(PDF\)](#) (53 pp, 408K, [about PDF](#)).

Whatever its form, the information given to building occupants and workers should address the following points to the extent they reflect building conditions:

- ACM/LBP has been found in the building and is located in areas where the material could be disturbed.
- The condition of the ACM/LBP, and the response that is appropriate for that condition.
- Asbestos only presents a health risk when fibers become airborne and are inhaled. The mere presence of intact ACM/LBP may not represent a health risk.
- The ACM/LBP is found in the following locations (e.g., ceilings in Rooms 101 and G-323, walls in the lobby, above suspended ceilings in the first floor corridor, on columns in the main entry, on pipes in the boiler room).
- Do not disturb the ACM/LBP [e.g., do not push furniture against the ACM/LBP, do not damage thermal system insulation (TSI)].
- Report any evidence of disturbance or damage of ACM/LBP to [name, location, and phone number of the O&M Plan Manager (APM)].
- Report any dust or debris that might come from the ACM/LBP or suspect ACM/LBP, any change in the condition of the ACM/LBP, or any improper action (relative to ACM/LBP) of building personnel to (name, location, and phone number of the O&M Plan Manager).
- Cleaning and maintenance personnel are taking special precautions during their work to properly clean up any asbestos debris and to avoid disturbing ACM/LBP.
- All ACM/LBP is inspected periodically and additional measures will be taken if needed to protect the health of building occupants.

3.0 TRAINING

In order to ensure that all ACM/LBP are handled properly, this facility has created a collateral position entitled O&M Plan Manager, to be assigned by the Owner. All activities related to the handling of ACM/LBP are to be coordinated through this individual or management company.

3.1 TRAINING PROGRAM

A key element in initiating and carrying out this Asbestos and Lead Based Paint O&M Plan is a properly trained building maintenance staff. This group is responsible for daily awareness/inspection of ACM and LBP as they perform their tasks. The maintenance staff will report any indication of potential problems resulting from changes of, ACM and LBP condition, area use, or maintenance practices. The maintenance staff will receive the two-hour General Asbestos Awareness training. The operations staff which will be working in direct contact with asbestos materials for repair operations will receive the 16 hour operations and maintenance training. A two-hour Lead Awareness training is suggested for anyone who will be working in the local of lead based paints.

The following elements should be presented in the Asbestos training programs:

Building Maintenance Staff Training

3.1.1 Asbestos Awareness Training

- a. Introduction - General background on asbestos, common uses of asbestos in building materials, explanation of the Asbestos O&M Plan, and abatement activities to date, etc.
- b. Medical/Mechanisms for Exposure - Condensed version of medical review from the 16-hour "Operations and Maintenance" training, along with similar mechanisms for exposure, with emphasis on fiber entrainment mechanisms.
- c. Use of High-Efficiency Particulate Air (HEPA) Technology - Discussion and use of HEPA filtration, vacuums, and filter changes, etc.
- d. Cleaning Techniques - Implementation of specialized cleaning methods, dusting techniques, wet cleaning methods, and proper disposal, etc.
- e. Daily Awareness/Inspection - Training to focus an awareness of the indications of potential problems, chain of command and notification, and general techniques to avoid exposure.
- f. Mechanisms to Reduce Exposure
 - Proper use of mechanical engineering control systems
 - Protection or removal of exposed material in high traffic areas
 - Construction of temporary barriers
 - Minimization of air circulation
 - Use of water during maintenance
 - Use of specialized equipment: HEPA - vacuum filtration
 - Others
- g. Coordination with O&M Plan Manager - Schedules for cleaning, mopping, stripping, buffing, etc.
- h. Continued Employee Education - Periodic training sessions, discussion of issues arisen between sessions, required attendance of senior maintenance staff, etc.

3.1.2 Lead Awareness Training

- a. Introduction - General background on common uses of lead paints, and abatement or stabilization activities to date, etc.
- b. Medical/Mechanisms for Exposure - Mechanisms for exposure.
- c. Use of HEPA Technology – Discussion and use of HEPA filtration, vacuums, and filter changes, etc.
- d. This certification is for anyone working around lead-based paint that may be exposed to lead-containing dust.
- e. According to OSHA (Occupational Safety and Health Administration) and the EPA (Environmental Protection Agency), a worker certificate is required for those who plan to do lead abatement activities under the direction of a supervisor. These certificates are also for those who plan to do repainting or general construction on surfaces painted with lead-based paint.

3.2 Lead Renovation, Repair, and Painting Rule (RRP)

Common renovation activities like sanding, cutting, and demolition can create hazardous lead dust and chips by disturbing lead-based paint, which can be harmful to adults and children.

On April 22, 2008, EPA issued a rule requiring the use of lead-safe practices and other actions aimed at preventing lead poisoning. Under the rule, beginning on April 22, 2010, contractors performing renovation, repair and painting projects that disturb lead-based paint in homes, child care facilities, and schools built before 1978 must be certified and must follow specific work practices to prevent lead contamination. Until that time, HUD and EPA recommend that anyone performing renovation, repair, and painting projects that disturb lead-based paint in pre-1978 homes, child care facilities and schools follow lead-safe work practices.

There are some differences between the EPA RRP Rule and the HUD Lead Safe Housing Rule (LSHR). A major difference is that the LSHR requires clearance examinations. All housing receiving federal assistance must still comply with the LSHR. All contractors should follow these three simple procedures:

- Contain the work area.
- Minimize dust.
- Clean up thoroughly.

From December 2008, the rule has required that contractors performing renovation, repair and painting projects that disturb lead-based paint provide to owners and occupants of child care facilities and to parents and guardians of children under age six that attend child care facilities built prior to 1978 the lead hazard information pamphlet Renovate Right: Important Lead Hazard Information for Families, Child Care Providers, and Schools.

Starting on April 22, 2010, the rule will affect paid renovators who work in pre-1978 housing and child-occupied facilities, including:

- Renovation contractors
- Maintenance workers in multi-family housing
- Painters and other specialty trades.

Under the rule, child-occupied facilities are defined as residential, public or commercial buildings where children under age six are present on a regular basis. The requirements apply to renovation, repair or painting activities. The rule does not apply to minor maintenance or repair activities where less than six square feet of lead-based paint is disturbed in a room or where less than 20 square feet of lead-based paint is disturbed on the exterior. Window replacement is not minor maintenance or repair. Contractors must become accredited and at least one worker on staff must take the Lead Renovator course to become an EPA-certified Renovator.

3.3 O&M PLAN MANAGER RESPONSIBILITIES

The O&M Plan Manager shall be responsible for the following tasks:

- Ensure that all personnel tasked to handle ACM/LBP are qualified and certified in accordance with applicable federal, state, and local standards.
- Incorporate, schedule, monitor, and maintain records of the periodic ACM and LBP inspection program.
- Review all planned construction and maintenance activities in areas known to have asbestos-containing materials to prevent unnecessary damage to the material, occupant exposure, and contamination of the building.

4.0 APPROPRIATE WORK PRACTICES

The following work practices are included for general information, and these materials may or may not be present in the facility. A general safety article by the EPA has been included in Appendix A covering a variety of work practices. Additional ACM/LBP may be located in your facility which is not outlined below. All building materials must be tested prior to disturbance. All paints should be presumed to be lead-based paint.

The following forms have been appended to this O&M Plan:

- A Waste Tracking Form is provided in Appendix C.
- A Job Request Form is provided in Appendix D.
- A Maintenance Work Authorization Form is provided in Appendix E.
- An Evaluation of Work Affecting ACM/LBP is provided in Appendix F.
- A hyperlink for asbestos regulations covering various work practices is included in Section 10.0 References.

4.1 Routine Maintenance or Repair Activities in Asbestos-Containing Environments

Maintenance or repair activities in the local of asbestos-containing resilient floor tiles or sheet flooring should not disturb ACM. Where maintenance activities cannot be avoided, special procedures must be introduced to limit the potential for damage and contamination of the surrounding areas. Work practices include, but are not limited, to the following:

- Use of wet methods;
- Use of HEPA vacuums;
- Prompt action to clean up ACM/PACM debris;
- Following OSHA respirator requirements; and
- Assume waste and debris in areas with accessible (friable) TSI and surfacing materials contains asbestos. A Waste Tracking Form has been provided in Appendix C.

4.1.1 *Preparation Prior to Renovation or Maintenance Activities & Emergency Response to Damaged Asbestos Containing Acoustical Ceiling Materials*

- Notify supervisor and cordon off area using appropriate signage (per 29 CFR 1910.1001(j)(3)).
- O&M Plan Manager will contract an asbestos abatement contractor to remove ACM.
- O&M Plan Manager will contract a third-party asbestos consultant to perform ambient air sampling upon completion of response action.
- Waste material should be properly manifested and disposed.

4.1.2 *Presumed Asbestos Containing Building Materials*

The following asbestos containing building materials (ACMs) are suggested materials that are typically encountered in buildings. The list should not be construed as being representative of all materials that may be present in a building or property. Therefore, if a prior or subsequent survey is performed, the identified ACMs should be incorporated for the purposes of this Operations & Maintenance Plan.

Plaster and Spray-Applied Acoustical Texture or Fireproofing

- Asbestos-containing plaster is generally considered to be friable if it is damaged or disturbed. Plaster is often applied to interior ceilings and walls and over irregularities, such as nail penetrations, to provide a textured, acoustically absorbent finish to the ceiling. It can be rough or smooth to the touch. It is not possible by sight or by touch to determine if plaster is asbestos-containing.
- Spray-applied acoustical ceiling texture is generally considered to be friable and could present a potential health hazard if disturbed. Acoustical ceiling plaster usually has a rough (popcorn like) finish and can be soft or hard to the touch. It is usually spray-applied, however, trowel-applied material is also observed.
- Asbestos-containing spray-applied fireproofing is generally considered to be friable and present a potential health hazard if it is disturbed. Fireproofing is often applied to steel structural members, and to the interior of elevator shafts. Spray-applied fireproofing is generally rough in appearance, and can be "cottage-cheese" like or firm and somewhat cement like in texture.

These materials are susceptible to water damage and are evident via discoloration. If water damage continues, delaminating will occur, resulting in an increased potential for asbestos fiber exposure. All potential sources of water leakage should be immediately addressed to prevent further water damage to the ACM.

Vinyl Composite Floor Tiles (VFT), Sheet Flooring (VSF), and Mastics

Vinyl floor tiles, sheet flooring, and associated mastics are generally considered to be non-friable materials, provided that they remain undisturbed on floor surfaces. It is not possible by sight or touch to determine if floor coverings are asbestos containing. Sheet flooring is typically composed of two layers, a top protective layer and a bottom paper-like insulating layer. A mastic material, often asbestos-containing, adheres the floor tile or sheet flooring to the substrate.

Drywall and Drywall Joint Compound (DWJC)

Drywall and drywall joint compound are generally considered to be friable materials if damaged or disturbed. DWJC is applied to interior drywall seams and over irregularities, such as nail penetrations, to provide a smooth finish to the wall system prior to painting. Because of the absence of rough edges and the typically painted surfaces, this material generally has a low propensity for disturbance under normal use and wear. It is usually hard to the touch. It is not possible by sight or by touch to determine if DWJC is asbestos-containing.

Thermal System / Transite Pipe Insulation

Asbestos-containing transite vent pipes are commonly used as exhaust flues for heaters, water heaters, and boilers. These materials are unlikely to pose a health threat if left undisturbed and should be monitored for damage.

Asbestos-containing thermal and transite pipe insulation is commonly applied to heating vessels such as boilers, hot water tanks, and the associated piping. Thermal insulation is generally considered to be friable, although it is commonly enclosed in a canvas jacket. It is very important the jacket material remain free from tears or rips that can expose the underlying ACM. Other types of thermal insulation in

use include a paper-type insulation. These materials are unlikely to pose a health threat if left undisturbed and should be monitored for damage. Often, the hard, mudded elbows and hanger supports used with fiberglass pipe insulation contains asbestos. Thermal insulation is particularly susceptible to water damage. Plumbing and roof leaks should be immediately repaired when determined to have caused water damage to ACM.

“Stucco”

Asbestos-containing “stucco” is commonly used as an exterior finish. “Stucco” is generally considered to be friable. These materials are unlikely to pose a health threat if left undisturbed and should be monitored for damage.

Black Roof Seal/Mastic and Roofing Materials (Shingles, Asphaltic Roofing)

Asbestos-containing roof seal/mastics are still in use today. The material is considered to be non-friable and the fibers are unlikely to be released from the asphaltic matrix. These materials are unlikely to pose a health threat if left undisturbed and should be monitored for damage.

Under normal conditions of use, asbestos fibers are bound into the matrix of the previously discussed materials as well as roof shingles and asphaltic roofing, and may pose a hazard to building occupants should the material become friable (pulverized or airborne). Mechanical disturbance of these materials should be avoided as activities such as cutting, drilling, grinding, sanding, or hammering may cause significant damage and lead to airborne fiber release.

4.2 Lead Containing Paint

Lead O&M activities are limited to small-scale projects that generally involve disturbance of less than two square feet of LBP per room. These could include replacing a windowpane, general grounds keeping, and repairing a door. A summary of protective measures suggested for these activities can be found in Chapter 17 of the HUD Guidelines (Appendix I). Good work practices include the use of plastic coverings to protect surfaces, wet methods to reduce dust/debris generation, and use of a HEPA-filtered vacuum to collect paint dust and debris. For most maintenance projects, wet cleaning of surfaces with a cleaning agent is effective in removing lead-contaminated dust.

An example of an O&M activity is the systematic repair of damaged paint is called “Paint Film Stabilization.” This is a process of wet scraping, priming, and repainting surfaces that are coated with deteriorated LBP. Further information regarding various work activities can be found in the HUD Guidelines:

<http://www.hud.gov/offices/lead/lbp/hudguidelines/index.cfm>

A copy of HUD Chapter 17 O&M Work Practices is provided in Appendix I.

Lead-safe work practices might include the following:

- Using wet methods.
- Placing a plastic drop cloth underneath the work area extending up to two feet beyond the work area.
- Using protective clothing such as foot coverings or dedicated footwear to minimize tracking leaded dust out of the work area.

- Sealing rooms to avoid contamination of adjacent areas either by closing doors or using a plastic curtain wall.
- Using approved respirators.

5.0 INSPECTION PROGRAM

5.1 Responsibilities

In order to maintain that the facility is in the best possible condition, the following tasks must be performed:

5.2 Semiannual Inspection

The O&M Plan Manager will coordinate the inspection process, analyze and consolidate results, and report any problems or necessary corrective recommendations to the proper authority. Each facility containing friable asbestos must have a semiannual physical "walkthrough" by a qualified inspector (using the original survey report and subsequent re-inspection reports as a guideline) to confirm that all ACM in the facility is intact and manageable. If new damage is identified, it must be noted so that remedial action can be arranged.

Posting of warning signs and labels in areas with known ACM/LBP should be performed upon confirmation of the presence of ACM in the building (29 CFR 1926.58). Labeling is intended to prevent damage or disturbance of ACM by unprotected individuals and to prevent such persons from entering areas where there is potential exposure from ACM.

5.3 Survey Results

Testing for the presence of LBP is recommended for all suspect surfaces. All inspection or survey results should be part of the O&M. Program. X-Ray Fluorescence (XRF) reports, laboratory analyses results, spot-testing results, field sheets, and field notes should be organized in a section of the document. Survey results should be easily accessible for reference. LBP surfaces should be visually inspected periodically depending on conditions. This section should be updated when additional lead surveys are performed.

The survey results provide a description of the location of LBP. An easy way to compile these results is to mark the locations on construction (as-built) drawings. The location of ACM/LBP should be updated as new survey results are obtained and when ACM/LBP is removed. Any enclosures around ACM/LBP should also be noted on the construction drawings. Any Prior Surveys should be appended in Appendix G.

5.4 Air Monitoring

Upon disturbance of confirmed or suspected ACM/LBP and/ or if required by law, air sampling must be conducted by qualified professionals to determine the airborne fiber concentration in the area.

5.5 Training

The reverse side of the inspection form is to document the initial training and annual re-training of all personnel who are exposed to ACM/LBP as part of their job tasks. This group would typically include persons specifically trained in emergency cleanup techniques; building maintenance/engineering/trades personnel, etc.

Other persons (including contractor personnel) who may work in or around ACM environments (but not handle or maintain ACM) should receive the appropriate training under the guidelines delineated in the applicable regulations.

All training programs must inform employees about the following:

- Methods of recognizing asbestos;
- Health hazards of asbestos exposure;
- Relationship between asbestos and smoking in producing lung cancer;
- Operations that could result in asbestos exposure;
- Importance of necessary protective controls to minimize exposure including, as applicable, engineering controls, work practices, respirators, housekeeping procedures, emergency procedures, and waste disposal procedures;
- Purpose , proper use and limitations of respirators; and
- The medical surveillance program;
- A complete review of the OSHA standard(s) including appendices.

6.0 EMPLOYEE PROTECTION

It is the express policy of the property owner that ACM/LBP present in this facility shall be maintained in such a way as to preclude the necessity of using personal protection equipment (PPE). No employees or tenants of the subject site or outside contractor employee shall disturb any ACM without proper training. Anyone working in the vicinity of identified ACM/LBP shall receive the proper training consisting of the two-hour Asbestos and/or Lead Awareness Class.

Any asbestos-related abatement/removal conducted at the subject site will be performed by a licensed contractor.

At a minimum, the following elements should be included in the employer's worker protection program:

- Hazard determination, including exposure assessment;
- Engineering and work practice controls;
- Respiratory protection;
- Protective clothing and equipment;
- Housekeeping;
- Hygiene facilities and practices;
- Medical surveillance and provisions for medical removal;
- Training;
- Signs; and
- Recordkeeping.

To implement the worker protection program properly, the employer needs to designate a competent person (i.e., one who is capable of identifying existing and predictable hazards or working conditions which are hazardous or dangerous to employees) in accordance with the general safety and health provisions of OSHA standards. The competent person must have the authorization to take prompt corrective measures to eliminate such problems. Qualified medical personnel must be available to advise the employer and employees on the health effects of employee asbestos exposure and supervise the medical surveillance program.

When conducting construction or demolition activities which disturb lead in any amount or create an exposure to workers, the employer is required to provide worker protection and conduct exposure assessments. Employers should consult Federal OSHA Regulations at 29 CFR 1926.62, "Lead in Construction" standards for complete requirements prior to construction or demolition activities. This regulation requires initial employee exposure monitoring to evaluate worker exposure during work that disturbs lead-containing materials (lead present in detectable levels). It is suggested that engineering controls, respiratory protection, and personal protective equipment be employed at the start of a project that could disturb lead-containing materials.

7.0 RESPIRATORY PROGRAM

As no subject site employee, occupant, or outside contractor shall be authorized to disturb ACM/LBP, no respiratory program is required at the subject site property. However, custodial and maintenance workers will receive the appropriate training according to daily activities.

Any asbestos-related abatement/removal or lead-based paint stabilization or removal conducted at the subject site will be performed by a licensed contractor.

The employer must provide respirators that will be used by employees under the following conditions:

- Periods when an employee's exposure to lead exceeds the PEL;
- Work operations for which engineering controls and work practices are not sufficient to reduce exposures to or below the PEL;
- Periods when an employee requests a respirator; and
- Periods when respirators are required to provide interim protection for employees while they perform asbestos and/or lead-related construction activities.

Employees must receive proper training in the use of respirators. This includes how to wear a respirator, to know why it is needed, and to understand its limitations.

Respirators must be selected according to the provisions of Title 42, CFR Part 84.

8.0 RECORDKEEPING

All the building documents should be stored in permanent files, including:

- Inspection and assessment reports
- The O&M Plan
- Work practices and procedures
- Respirator use procedures
- Fiber release reports
- Application for maintenance work and work approval forms
- Evaluations of work affecting ACM/LBP
- Reinspection/surveillance of ACM/LBP

EPA recommends that building owners make available all written elements of the O&M Plan to the building's O&M staff as well as to tenants and other building occupants, if applicable. Building owners are also encouraged to consult with their legal counsel concerning appropriate recordkeeping strategies as a standard part of their O&M programs.

Occupational Safety and Health Administration (OSHA) standards require that employers with employees engaged in asbestos-related work retain the following records:

- Personal air sampling records, for at least 30 years; personal air samples are those collected in the worker's breathing zone during performance of work involving asbestos exposures.
- The data used to qualify for exemptions from OSHA's initial monitoring requirements for the duration of the exemption.
- Medical records for each employee subject to the medical surveillance program for the duration of their employment plus 30 years.
- All employee training records for one year beyond the last date of each worker's employment.

Additional OSHA recordkeeping requirements are listed below for reference:

- Access to employee exposure and medical records ([29 CFR 1910.1020](#))
- Hazard Communication ([29 CFR 1910.1200](#)).
- Also see the OSHA Construction Rule ([29 CFR 1926.1101](#)) or the EPA Worker Protection Rule ([40 CFR 763 Subpart G](#)) which incorporates the OSHA regulations by reference for certain state and local employees) for more details of recordkeeping requirements.

9.0 DEFINITIONS

9.1 Asbestos

Accessible Material - any material access to which can be gained by any means other than significant destruction of building components, or, for the purposes of describing building occupant activities, a material subject to disturbance by routine use or maintenance activities

Asbestos - the general name given to a number of naturally occurring hydrated mineral silicates each of which possesses a specific crystalline structure, is incombustible in air, and is separable into fibers; asbestos includes the asbestiform varieties of Chrysotile (serpentine), Crocidolite (riebeckite), Amosite (cummingtonite-grunerite), Anthophyllite, and Actinolite.

Asbestos Containing Material (ACM) - may be defined, as by the EPA, as any friable material or product containing greater than one percent asbestos or, by convention, as any material or product which contains >1% asbestos

Asbestos Debris - pieces of material that can reasonably be identified by color, texture or composition as being traceable to a known asbestos containing application; may mean dust, if the dust is determined by analysis to be ACM

Bulk Samples - samples of bulk material; in the case of asbestos, suspect asbestos containing material; Chain-of-Custody (COC) - formal procedures for tracking samples and ensuring their integrity

Encapsulation - treatment of ACM with a material that surrounds or embeds asbestos fibers in an adhesive or cementitious matrix to inhibit the release of fibers; the encapsulant creates a membrane over the surface of the material (bridging encapsulant) or penetrates the material or binds its components together (penetrating encapsulant).

Enclosure - an airtight, impermeable, permanent barrier around ACM to prevent the release of asbestos fibers into the air

EPA - United States Environmental Protection Agency

Fair - as used to describe material condition, damage is more prevalent or severe than on materials rated as good

Fiber Release Episode - any uncontrolled or unintentional disturbance of ACM resulting in airborne asbestos fiber emission

Friability - the physical characteristic of any solid that describes its ability to be broken down to a powder or dust; a highly friable material is one that can be easily crumbled by hand pressure; a moderately friable material is one that can be crumbled with some difficulty by hand pressure or by mechanical means; a low friability material is one that may require mechanical means to crumble; while the condition of a material does not constitute a measure of its friability, weathering and deterioration can increase the friability of a material

Glovebag - a plastic enclosure with built-in gloves which is placed with an airtight seal around asbestos containing pipe lagging or other materials such that they may be removed or repaired without generating airborne fibers

Good - as used in the context of material condition, integrity of the material is generally complete, with possible small areas of delamination or indications of limited contact or water damage; the mechanism to retain the insulation in its original position (e.g. cloth wrapping over pipe insulation) is still present

Heating Ventilation and Air Conditioning (HVAC) system - the system of pipes, ducts, and equipment, (air conditioners, chillers, heaters, boilers, pumps, fans) used to heat, cool and filter air and move it through a building; the HVAC system is one of several mechanical systems found in most buildings

High Efficiency Particulate Air (HEPA) Filter - a filtering system capable of trapping and retaining at least 99.97 percent of all particles 0.3 micrometers in diameter or larger

Homogeneous Application - an application of surfacing material, thermal system insulation material, or miscellaneous material that is uniform in color, texture, and vintage of application

Lock-down - application of a sealing material to ensure that any residual microscopic fibers remaining following asbestos removal are prevented from becoming airborne

Mechanical System - a building component system: can include the plumbing system, elevator system, and others (see Heating Ventilation and Air Conditioning system (HVAC))

NIOSH - United States National Institute of Occupational Safety and Health

Operations and Maintenance (O&M) Plan - a program of work practices and training and management procedures designed to maintain ACM in good condition; an O&M Plan ensures clean-up of asbestos fibers previously released and prevention of further release by minimizing and controlling ACM disturbance or damage; an O&M Plan should be implemented at all buildings with ACM

Optical Microscope - a microscope that uses the transmission of light through lenses to magnify a specimen for examination; capable of resolution of fibers or other materials down to approximately 0.25 micrometers in diameter

OSHA - United States Occupational Safety and Health Administration

Permissible Exposure Limits (PELs)

1. Time-weighted average limit (TWA). The employer shall ensure that no employee is exposed to an airborne concentration of asbestos in excess of 0.1 fiber per cubic centimeter of air as an eight (8) hour time-weighted average (TWA), as determined by PCM, or by an equivalent method.
2. Excursion limit. The employer shall ensure that no employee is exposed to an airborne concentration of asbestos in excess of 1.0 fiber per cubic centimeter of air (1 f/cc) as averaged over a sampling period of thirty (30) minutes, as determined by PCM, or by an equivalent method.

Phase Contrast Microscopy (PCM) - an optical microscopic technique used for counting fibers in air samples; PCM does not distinguish between asbestos and non-asbestos fiber types; the PCM method currently recognized is referred to as NIOSH 7400

Physical Assessment - evaluating asbestos containing material to determine its current condition and potential for future disturbance

Plenum - a space in a building, other than a duct or shaft, designed to transport air; plenums are commonly the space between a suspended ceiling and the floor above

Polarized Light Microscopy (PLM) - an optical microscopic method for the identification of asbestos in bulk samples in which the sample is illuminated with polarized light

Poor - as used in the context of material condition, material is obviously damaged with evidence of delamination or inadequate adhesion of the material to its substrate

Presumed Asbestos Containing Material (PACM) - Presumed Asbestos Containing Material means thermal system insulation and surfacing material found in buildings constructed no later than 1980; the designation of a material as "PACM" may be rebutted pursuant to paragraph (k)(5) of 29 CFR 1926.1101

Quality Assurance (QA) - a process designed to provide confidence that the quality control program is being applied effectively; the process includes an auditing procedure designed to evaluate all known policies and procedures that affect the quality of results

Quality Control (QC) - a program comprised of the operational procedures to ensure that data are of known and acceptable precision and accuracy

Regulated Area - an area established by the employer to demarcate areas where airborne concentrations of asbestos exceed (or there is a reasonable possibility they may exceed) the permissible exposure limits.

Response Action - any method, including removal, encapsulation, enclosure, repair, or Operations and Maintenance Program that minimizes harm to human health and the environment from the hazards and effects of ACM

Scanning Electron Microscopy (SEM) - magnification 450-15,000x; analytical technique used for air and bulk sample analysis; may use Energy Dispersive Spectroscopy (EDS) to positively identify chemical elements present in the sample; method involves counting fibers (discriminating between fibers less than and greater than 5.0 microns length) in a known surface area of a filter or bulk material

Specifications - a written set of standards, procedures, and materials for the abatement of asbestos; includes contract documents detailing the Scope of Work of the project and defining Contractor, Building Owner and Consultant responsibilities

Transite - a trade name for asbestos cement wallboard or pipe

Transmission Electron Microscopy (TEM) - State-of-the-art analytical method for air and bulk sample analysis; uses high magnification (typically 15,000x) to identify asbestos fibers; may utilize Energy Dispersive Spectroscopy (EDS) and/or Selected Area Electron Diffraction (SAED) to confirm asbestos and to identify the type of asbestos present; recommended for final clearance air samples and for bulk analysis of samples with difficult-to-analyze matrices (e.g., plaster, vinyl tile); provides the most definitive analysis of asbestos currently available.

9.2 Lead Based Paint Definitions

Abatement - any set of measures designed to permanently eliminate lead-based paint hazards in accordance with standards established by appropriate Federal agencies. Such term includes --

- (A) The removal of lead-based paint and lead-contaminated dust, the permanent containment or encapsulation of lead-based paint, the replacement of lead-painted surfaces or fixtures, and the removal or covering of lead contaminated soil; and

(B) All preparation, cleanup, disposal, and post-abatement clearance testing activities associated with such measures.

Accessible surface - an interior or exterior surface painted with lead-based paint that is accessible for a young child to mouth or chew.

Certified contractor: The term "certified contractor" means:

(A) a contractor, inspector, or supervisor who has completed a training program certified by the appropriate Federal agency and has met any other requirements for certification or licensure established by such agency or who has been certified by any State through a program which has been found by such Federal agency to be at least as rigorous as the Federal certification program; and

(B) workers or designers who have fully met training requirements established by the appropriate Federal agency.

Deteriorated paint - any interior or exterior paint that is peeling, chipping, chalking or cracking or any paint located on an interior or exterior surface or fixture that is damaged or deteriorated.

Evaluation - a risk assessment, inspection, or risk assessment and inspection.

Federally assisted housing - residential dwellings receiving project-based assistance under programs including:

(A) section 221(d)(3) or 236 of the National Housing Act;

Interim controls - a set of measures designed to reduce temporarily human exposure or likely exposure to lead-based paint hazards, including specialized cleaning, repairs, maintenance, painting, temporary containment, ongoing monitoring of lead-based paint hazards or potential hazards, and the establishment and operation of management and resident education programs.

Lead-based paint - paint or other surface coatings that contain lead in excess of limits established by HUD/EPA. The term "lead-based paint" addresses the layers of paint on an applicable surface having lead equal to or greater than 1.0 mg/cm² or 0.5% by weight.

Lead-based paint hazard - any condition that causes exposure to lead from lead-contaminated dust, lead-contaminated soil, lead-contaminated paint that is deteriorated or present in accessible surfaces,

friction surfaces, or impact surfaces that would result in adverse human health effects as established by the appropriate Federal agency.

Lead-contaminated dust - A dust-lead hazard is surface dust in a residential dwelling or child-occupied facility that contains a mass-per-area concentration of lead equal to or exceeding 40 $\mu\text{g}/\text{ft}^2$ on floors or 250 $\mu\text{g}/\text{ft}^2$ on interior window sills based on wipe samples (40 CFR 745.65).

Permissible Exposure Limit (PEL) – The standard sets a permissible exposure limit (PEL) of 50 micrograms of lead per cubic meter of air ($50 \mu\text{g}/\text{m}^3$), averaged over an 8-hour workday which is referred to as a time-weighted average (TWA). This is the highest level of lead in air to which an employee may be permissibly exposed over an 8-hour workday. The standard contains a formula (400 divided by the number hours worked) which reduces the permissible exposure when an employee is exposed more than 8 hours. For example, if a worker is exposed to lead for 10 hours a day, the maximum permitted average exposure would be $40 \mu\text{g}/\text{m}^3$.

Public housing - has the same meaning given the term in section 3(b) of the United States Housing Act of 1937 (42 U.S.C. 1437a(b)(1)).

Reduction - measures designed to reduce or eliminate human exposure to lead-based paint hazards through methods including interim controls and abatement.

Residential dwelling: The term "residential dwelling" means:

- a. a single-family dwelling, including attached structures such as porches and stoops; or
- b. a single-family dwelling unit in a structure that contains more than one separate residential dwelling unit, and in which each such unit is used or occupied, or intended to be used or occupied, in whole or in part, as the home or residence of 1 or more persons.

Risk assessment - an on-site investigation to determine and report the existence, nature, severity and location of lead-based paint hazards in the residential dwellings, including --

- a. Information gathering regarding the age and history of the housing and occupancy by children under age 6;
- b. Visual inspection;
- c. Limited wipe sampling or other environmental sampling techniques;
- d. Other activity as may be appropriate; and
- e. Provision of a report explaining the results of the investigation.

Target housing - any housing constructed prior to 1978, except housing for the elderly or persons with disabilities (unless any child who is less than 6 years of age resides or is expected to reside in such housing for the elderly or persons with disabilities) or any 0-bedroom dwelling. In the case of jurisdictions which banned the sale or use of lead-based paint prior to 1978, the Secretary, at the Secretary's discretion, may designate an earlier date.

APPENDIX A: GENERAL SAFETY CONSIDERATIONS

General Safety Considerations

(This section is reprinted from Appendix D of the EPA's White Book for use by personnel performing O & M activities, and is supplied for informational purposes only)

Ronald L. Stanevich

NIOSH Division of Safety Research

This guide was primarily developed to provide recommendations concerning worker respiratory protection within the asbestos abatement industry. However, employers must not lose sight of the safety hazards their employees are exposed to in performance of their work. Asbestos abatement operations can take place in a variety of industrial, commercial and public settings. Each has unique potential safety hazards that the employer must control. However, nearly all abatement operations have some common safety hazards. With proper job planning and supervision, the employer can control both the health hazards and the safety hazards faced by their workers. The more common safety hazards associated with abatement operations and general recommendations to control them are discussed below. Sources for more specific safety information are listed to supplement and support the applicable OSHA regulatory standards.

I. ELEVATED WORK SURFACES

The nature of asbestos abatement tasks usually requires workers to work from ladders, scaffolds, lifts, or other elevated surfaces, which creates the potential for fall injuries. Slips and falls from ladders, scaffolds, and other elevated surfaces result in a major portion of the construction industry injuries. Many of these can be prevented by implementing a few control measures:

A. General

1. Avoid use of makeshift work platforms by providing portable ladders and scaffolds.
2. Ensure that job built elevated work surfaces are inspected by a competent person other than the individual who erects it.
3. Avoid working from elevated surfaces where possible. Consider use of wands for spraying amended water or scrapers with extended handles.

B. Ladders

Eighty percent of ladder related accidents result from improper use or application:

1. Workers should face the ladder when climbing up, down, or working from it.
2. Workers should not carry objects in their hands while ascending or descending ladders. While working from a ladder they should hold on with at least one hand.
3. Ladders should not be used as a substitute for planks, runways, or walkboards.
4. Ladders should be maintained in good condition. Defective ladders should be destroyed so that no one uses them by mistake.
5. Ladders should have safety feet in good condition to keep the ladder from slipping and cutting through floor covers.
6. Ladder rungs/steps should be kept free of contaminants such as amended water and buildup of asbestos waste.
7. Employees should work no higher than the fourth step/rung from the top of the ladder.

8. Employees should not attempt to "reach" distant objects from a ladder; other platforms should be used.
9. Wood or fiberglass ladders should be provided to help control exposure to electrical hazards.
10. Employees should not straddle the space between a ladder and another object.
11. Employees should make a visual inspection of ladders before each shift.

C. Scaffolds

Falls from scaffolds result in about 2,000 injuries per month in the United States. These can be reduced by:

1. providing guardrails around the perimeter of the work surface regardless of scaffold height
2. securing scaffold decks against slippage
3. keeping scaffold uprights vertical and pinned together when stacked
4. ensuring vertical members are braced to keep the scaffold plumb and level
5. decking the entire top portion of the work surface in lieu of using minimum planking dimensions
6. extending planks at least 6" (150 mm) over their support and securing them from movement
7. ensuring that manufacturer built in ladders are in good condition
8. maintaining mobile scaffold casters in good condition with position locking devices secured when employees are working from the scaffold
9. keeping mobile scaffolding height less than four times the minimum base dimension and with adequate cross bracing
10. never interchanging scaffolding pans from different units
11. never using defective scaffolding
12. designating only "competent" persons to perform scaffolding repairs.

II. ELECTRICAL HAZARDS

Asbestos abatement is often related to renovation or remodeling activities. Normally the equipment, machinery, overhead lighting fixtures, and auxiliary furnishings are removed to facilitate the abatement work. However, it is becoming more common that industrial and commercial buildings remain partially occupied while abatement operations are performed. In either situation, the abatement operator must take positive actions to protect employees from accidentally coming into contact with energized electrical circuits.

A. General

1. Perform an initial walk-through of the abatement area to look for pre-existing electrical hazards involved with the work
2. De-energize as many circuits as possible
3. Verify that the circuits have been de-energized with a "Field Current Sensing Device" circuit tester. Either lock out/tag out all de-energized circuits to prevent them from accidentally being energized.
4. Use non-conductive tools such as scrapers and vacuum attachments made of wood, plastic, or rubber.
5. Provide workers with non-conductive rubber boots and/or gloves when work must be done around energized wiring or equipment.
6. Prohibit accumulation of puddles of water on the floor. Workers should be trained in the intelligent use of amended water. No water should be used around energized circuits.

B. Permanent Building Circuitry

1. Ensure that all permanent circuits are provided with a grounding system. This can be determined with a portable ground tester.
2. Ensure that electrical outlets are tightly sealed and taped to avoid water spray.
3. Determine what equipment must remain energized during the abatement process.
4. Insulate or guard energized equipment and wiring from employee contact and other conductive objects.
5. Avoid damaging permanent building wiring during the work.
6. Consider dry removal methods in the vicinity of electrical equipment which must remain energized.

C. Temporary Power

1. All temporary circuits provided by the abatement operator must be provided with a grounding system and protected by ground fault circuit interrupters.
2. Avoid stringing temporary wiring across floors
3. Elevated wiring should not be fastened with staples, nails, or wire.
4. Use care, not to damage the wiring insulation during installation or abatement work.

D. Electrical Cords and Tools

1. Provide extension cords which have a ground conductor.
2. Ensure that cords are not damaged, contain no splices, and that the grounding lug on the male plug is intact.

3. Position extension cords to eliminate stumbling/tripping hazards and to protect them from damage by moving scaffolds.
4. Provide electrical tools which are either grounded or of the double insulated type
5. Use shatterproof, guarded bulbs and heavy duty wiring for temporary lighting.
6. Where plugs enter receptacles, ensure that the connection is protected by use of duct tape or by other means.
